**MANVILLE PERSONAL INJURY SETTLEMENT TRUST  
ACCOUNT OF TRUSTEES  
FOR THE PERIOD JANUARY 1, 2005 THROUGH DECEMBER 31, 2005**

Pursuant to N.Y. EPTL § 7-2.7, Robert A. Falise, Louis Klein, Jr., Frank J. Macchiarola and Christian E. Markey, Jr., (the "Trustees") Trustees of the Manville Personal Injury Settlement Trust (the "Trust"), or John C. Sawhill, Donald M. Blinken, Daniel Fogel, Christian E. Markey, Jr., and Francis H. Hare, Jr., the former trustees of the Trust (the "Former Trustees"), have previously filed accounts of trustees (the "Trustee Accountings") for the periods January 9, 1987 (Trust Inception) through November 28, 1988; November 29, 1988 through December 31, 1989; January 1, 1990 through December 31, 1990; January 1, 1991 through July 5, 1991; July 6, 1991 through December 31, 1991; January 1, 1992 through December 31, 1992; January 1, 1993 through December 31, 1993; January 1, 1994 through December 31, 1994; January 1, 1995 through June 30, 1995; July 1, 1995 through December 31, 1995; January 1, 1996 through December 31, 1996; January 1, 1997 through December 31, 1997; January 1, 1998 through December 31, 1998; January 1, 1999 through December 31, 1999; January 1, 2000 through December 31, 2000; January 1, 2001 through December 31, 2001; January 1, 2002 through December 31, 2002; January 1, 2003 through December 31, 2003 and January 1, 2004 through December 31, 2004 (collectively, the "Prior Accountings"). These Prior Accountings have been accepted and approved by the Court, thereby releasing and discharging the Trustees or the Former Trustees, as appropriate, from any further liability or responsibility respecting the matters embraced therein.

Capitalized terms used in this Account of Trustees not otherwise defined herein have the meanings set forth in the Glossary annexed to the Third Amended and Restated Supplemental Agreement dated as of February 26, 2001 between the Trust and Manville Corporation.

The account of trustees normally filed with the Surrogate's Court of the State of New York by express trusts has herein been modified in the same manner as for the Prior Accountings. A separate Statement of Cash Flows is included herein which reports cash inflows and outflows for the period January 1, 2005 through December 31, 2005.

Both principal and income can be and are used to pay operating expenses of the Trust and Beneficiaries' claims without regard to source. Accordingly, the Trust has not separated principal from income herein or in Prior Accountings nor does the present account include separate statements for principal and income accounts. For example, suggested Schedule C entitled "Statement of Expenses Chargeable to Principal" has again been combined with suggested Schedule C-2, "Statement of Administration Expenses Chargeable to Income". Other like categories have also been combined. In addition, the following schedules are inapplicable and, accordingly, have been omitted:

Schedule B - Statement of Decreases Due to Sales, Liquidations, Collections, Distribution or Uncollectibility. During the period ended December 31, 2005, there were no decreases of assets due to sales, liquidations, collections, distributions or uncollectibility.

Schedule E - Statement of New Investments, Exchanges and Stock Distributions. The Trust's remaining principal has been invested pursuant to investment criteria provided in the Plan. The resulting net investment income is reported under Schedule A-2. Schedule E is omitted because of the volume of investment transactions.

Schedule H - Computation of Commissions. No commissions were paid or are to be paid by the Trust. Trustee remuneration and expenses are reported under Schedules C and C-2.

The following Account of Trustees is cross-referenced to the Manville Personal Injury Settlement Trust Audited Financial Statements for the year ended December 31, 2005 (Financial Statements) which are annexed hereto as Exhibit A. Exhibit B is included, which summarizes the amounts paid to claimants for the same period. Exhibits A and B are hereby and expressly incorporated by reference into and made a part of the Account of Trustees for the period January 1, 2005 through December 31, 2005.

**SCHEDULE I - Statement of Pertinent Facts**

During 2005, the United States Senate Committee on the Judiciary considered and favorably reported a bill, S. 852, legislation that would have created a single national trust fund to pay all U.S. asbestos personal injury claims. The new trust fund would have been funded, in part, by confiscation of the assets of existing asbestos bankruptcy trusts, including the Manville Trust. In 2005, the Manville Trust made substantial fee payments to Counsel for the Selected Counsel for the Beneficiaries (SCB) and to the Trust's Special Advisor for their efforts opposing the Fair Act. While there were numerous hearings and there appeared to be considerable enthusiasm for the bill in 2005, a vote taken by the full Senate in February 2006 makes remote the likelihood of passage of the bill.

The Manville Trust pays asbestos personal injury claims pursuant to a Trust Distribution Process (TDP), a negotiated plan approved by the federal courts that supervise the Trust. Because the Trust's assets are insufficient to pay the full value of all projected Trust claims, the TDP directs the Trust to pay each claimant an equal pro rata percentage of the total liquidated value of his or her claim. Since June 2001 the pro rata payment percentage has been 5%. Section H.1 of the 2002 TDP directs the Trust periodically to re-estimate the value of its total assets and its total liabilities and to determine whether a revised pro rata percentage should be applied. During 2005, the Trust engaged expert consultants to provide a re-estimate of future Trust claims in connection with the reexamination of the pro rata percentage. The Trust has reviewed this new estimate of future claims together with the SCB and the Legal Representative of Future Claimants, the other parties with roles in determining the pro rata percentage.

In June 2005, Judge Janis Jack, United States District Judge for the Southern District of Texas, overseeing multidistrict (MDL) pre-trial proceedings in a large number of silicosis cases, issued an order sharply criticizing the mass medical screening methods used to generate silicosis and asbestosis personal injury claims. The majority of plaintiffs in the silica proceedings had previously filed Manville Trust claims alleging asbestos-related personal injuries. However, among a wide variety of highly recognized medical experts, it is considered very rare for an individual to have clinical signs of both asbestosis and silicosis. In September 2005, the Manville Trust's claims processing facility suspended acceptance of medical reports from certain physicians and screening facilities criticized in the June 2005 order. Some of the suspended physicians and facilities were among the highest volume providers of medical reports submitted to support Manville Trust claims. The suspensions were based upon the testimony of the doctors and representatives of the screening facilities as well as upon the order, and they were made pending the results of an ongoing Federal Grand Jury Investigation in the Southern District of New York as well as Congressional investigations.

**REPORT OF INDEPENDENT ACCOUNTANTS**

February 10, 2006

To the Trustees of  
Manville Personal Injury Settlement Trust

We have audited the accompanying special-purpose consolidated statements of net claimants' equity of Manville Personal Injury Settlement Trust (the Trust, organized in the state of New York) as of December 31, 2005 and the related consolidated statements of changes in net claimants' equity and cash flows for the year then ended. These special-purpose consolidated financial statements and the exhibits referred to below are the responsibility of the Trust's management. Our responsibility is to express an opinion on these special-purpose consolidated financial statements and exhibits based on our audit. The special-purpose consolidated financial statements of Manville Personal Injury Settlement Trust for the year ended December 31, 2004 were audited by other auditors whose report, dated February 11, 2005, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the special-purpose consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the special-purpose consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 2, these special-purpose consolidated financial statements were prepared on a special-purpose basis of accounting and are not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. The special-purpose basis of accounting has been used in order to communicate the amount of equity presently available to current and future claimants.

In our opinion, the accompanying special-purpose consolidated financial statements of Manville Personal Injury Settlement Trust as of and for the year ended December 31, 2005 are fairly presented, in all material respects, on the basis of accounting described in Note 2.

MEMBER OF THE LEADING EDGE ALLIANCE

Our audit was made for the purpose of forming an opinion on the special-purpose consolidated financial statements taken as a whole. The supplementary schedules at Exhibits I, II, and III are presented for purposes of additional analysis and are not a required part of the special-purpose consolidated financial statements. This information has been subjected to the auditing procedures applied in our audit of the special-purpose consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the special-purpose consolidated financial statements taken as a whole. The supplementary information for the year ended December 31, 2004 was audited by other auditors whose report, dated February 11, 2005, expressed an unqualified opinion on such information in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the management of the Trust, the Trustees, the beneficiaries of the Trust, and the United States Bankruptcy Court for the Southern District of New York and is not intended to be and should not be used by anyone other than these specified parties. This restriction is not intended to limit the distribution of this report which, upon filing with the United States Bankruptcy Court for the Southern District of New York, is a matter of public record.

**MANVILLE PERSONAL INJURY SETTLEMENT TRUST  
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS  
AS OF DECEMBER 31, 2005 AND 2004**

**(1) DESCRIPTION OF THE TRUST**

The Manville Personal Injury Settlement Trust (the Trust), organized pursuant to the laws of the state of New York with its office in Katonah, New York, was established pursuant to the Manville Corporation (Manville or JM) Second Amended and Restated Plan of Reorganization (the Plan). The Trust was formed to assume Manville's liabilities resulting from pending and potential litigation involving (i) individuals exposed to asbestos who have manifested asbestos-related diseases or conditions, (ii) individuals exposed to asbestos who have not yet manifested asbestos-related diseases or conditions and (iii) third-party asbestos-related claims against Manville for indemnification or contribution. Upon consummation of the Plan, the Trust assumed liability for existing and future asbestos health claims. The Trust's initial funding is described below under "Funding of the Trust." The Trust's funding is dedicated solely to the settlement of asbestos health claims and the related costs thereto, as defined in the Plan. The Trust was consummated on November 28, 1988.

In December 1998, the Trust formed a wholly-owned corporation, the Management Corporation (CRMC), to provide the Trust with claim processing and settlement services. Prior to January 1, 1999, the Trust provided its own claim processing and services. CRMC began operations on January 1, 1999 in Fairfax, Virginia and subsequently relocated to Falls Church, Virginia. The accounts of the Trust and CRMC have been consolidated for financial reporting purposes. All significant transactions between the Trust and CRMC have been eliminated in consolidation.

The Trust was initially funded with cash, Manville securities and insurance settlement proceeds. Since consummation, the Trust has converted the Manville securities to cash and currently holds no Manville securities.

**(2) SIGNIFICANT ACCOUNTING POLICIES**

**(a) Basis of Presentation**

The Trust's financial statements are prepared using special-purpose accounting methods that differ from accounting principles generally accepted in the United States. The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the amount of equity available for payment of current and future claims. These special-purpose accounting methods are as follows:

- (1) The financial statements are prepared using the accrual basis of accounting.
- (2) The funding received from JM and its liability insurers was recorded directly to net claimants' equity. These funds do not represent income of the Trust. Settlement offers for asbestos health claims are reported as

deductions in net claimants' equity and do not represent expenses of the Trust.

- (3) Costs of non-income producing assets, which will be exhausted during the life of the Trust and are not available for satisfying claims, are expensed as they are incurred. These costs include acquisition costs of computer hardware, software, software development, office furniture and leasehold improvements.
- (4) Future fixed liabilities and contractual obligations entered into by the Trust are recorded directly against net claimants' equity. Accordingly, the future minimum rental commitments outstanding at period end for non-cancelable operating leases, net of any sublease agreements, have been recorded as deductions to net claimants' equity.
- (5) The liability for unpaid claims reflected in the consolidated statements of net claimants' equity represents settled but unpaid claims and outstanding settlement offers. Post-Class Action complaint claims' liability is recorded once a settlement offer is made to the claimant (Note 3) at the amount equal to the expected pro rata payment. No liability is recorded for future claim filings and filed claims on which no settlement offer has been made. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded.
- (6) Available-for-sale securities are recorded at market. All interest and dividend income on available-for-sale securities, net of investment expenses are included in investment income on the consolidated statements of changes in net claimants' equity. Realized and unrealized gains and losses on available-for-sale securities are combined and recorded on the consolidated statements of changes in net claimants' equity.

Realized gains/losses on available-for-sale securities are recorded based on the security's original cost. At the time a security is sold, all previously recorded unrealized gains/losses are reversed and recorded net, as a component of other unrealized gains/losses in the accompanying consolidated statements of changes in net claimants' equity.

The preparation of financial statements in conformity with the special-purpose accounting methods described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net claimants' equity during the reporting period. Actual results could differ from those estimates. The most significant estimates with regard to these financial statements relate to unpaid claims, as discussed in Notes 3 and 5.

Certain amounts in the 2004 financial statements have been reclassified to conform to the 2005 presentation. These reclassifications have no effect on the previously recorded balance of Net Claimants' Equity.

**(b) Cash Equivalents and Investments**

At December 31, 2005 and 2004, the Trust has recorded all of its investment securities at market value, as follows:

	2005		2004	
	Cost	Market	Cost	Market
<b>Restricted</b>				
Cash equivalents	\$114,421	\$ 114,421	\$2,710,682	\$2,710,682

Corporate and other debt	286,266,657	281,384,998	249,551,033	249,026,535
Equities – U.S.	766,817,205	875,094,301	852,903,194	938,289,180

Total	<u>\$1,460,807,748</u>	<u>\$1,589,884,698</u>	<u>\$1,483,991,407</u>	<u>\$1,587,812,212</u>

The Trust invests in two types of derivative financial instruments. Equity index futures are used as strategic substitutions to cost effectively replicate the underlying index of its domestic equity investment fund. At December 31, 2005, the fair value of these instruments was approximately \$10.6 million and was included in investments available-for-sale on the consolidated statement of net claimants' equity. Foreign currency forwards are utilized for both currency translation purposes and to economically hedge against the currency risk inherent in foreign equity issues and are generally for periods up to 90 days. At December 31, 2005, the Trust held \$54.4 million in net foreign currency forward contracts. The unrealized loss on these outstanding currency forward contracts of approximately \$0.1 million is offset by an equal unrealized gain due to currency exchange on the underlying international securities. These net amounts are recorded in the consolidated statement of net claimants' equity at December 31, 2005.

**(c) Fixed Assets**

The cost of non-income producing assets that will be exhausted during the life of the Trust and are not available for satisfying claims are expensed as incurred. Since inception, the cost of fixed assets expensed, net of disposals, include:

Acquisition of furniture and equipment	\$ 378,420
Acquisition of computer hardware and software	781,573
Computer software development (e-Claims)	2,361,065
Leasehold improvements	<u>74,890</u>
Total	<u>\$3,595,948</u>

These items have not been recorded as assets, but rather as direct deductions to net claimants' equity in the accompanying consolidated financial statements. The cost of fixed assets, net of proceeds on disposals that were expensed during the years ended December 31, 2005 and 2004 was approximately \$31,000 and \$57,900, respectively.

Total depreciation expense related to asset acquisitions using accounting principles generally accepted in the United States would have been approximately \$659,400 and \$641,200 for the years ended December 31, 2005 and 2004, respectively.

### **(3) UNPAID CLAIMS**

The Trust distinguishes between claims that were resolved prior to the filing of the class action complaint on November 19, 1990, and claims resolved after the filing of that complaint. Claims resolved prior to the complaint (Pre-Class Action Claims) were resolved under various payment plans, all of which called for 100% payment of the full liquidated amount without interest over some period of time. However, between July 1990 and February 1995, payments on all claims except qualified exigent health and hardship claims were stayed by the courts. By court order on July 22, 1993 (which became final on January 11, 1994), a plan submitted by the Trust was approved to immediately pay, subject to claimant approval, a discounted amount on settled, but unpaid Pre-Class Action Claims, in full satisfaction of these claims. The discount amount taken, based on the claimants who accepted the Trust's discounted offer, was approximately \$135 million.

The unpaid liability for the Post-Class Action claims represents outstanding offers made in First-in, First-out (FIFO) order to claimants eligible for settlement after November 19, 1990. Under the Trust Distribution Process (TDP) (Note 5), claimants receive an initial pro rata payment equal to a percentage of the liquidated value of their claim. The Trust remains liable for the unpaid portion of the liquidated amount only to the extent that assets are available after paying all claimants the established pro rata share of their claims. The Trust makes these offers electronically for law firms that file their claims electronically (e-filers), or in the form of a check made payable to the claimant and/or claimant's counsel for claimants that file their proof of claim on paper. E-filers may accept their offers electronically and the Trust records a settled, but unpaid claim at the time of acceptance. Paper filers may accept their offer by depositing the check. An unpaid claim liability is recorded once an offer is made. The unpaid claim liability remains on the Trust's books until accepted or expiration of the offer after 360 days. Expired offers may be reinstated if the claimant accepts the original offer within two years of offer expiration.

### **(4) COMMITMENTS AND CONTINGENCIES**

#### **Operating Leases**

In April 2003, the CRMC executed an early termination of its old lease in Fairfax Virginia and signed a new 10-year lease through September 2013 for its offices in Falls Church, Virginia. CRMC may terminate the new lease at the end of the seventh lease year (September 2010) upon proper notification and payment of certain unamortized leasing costs. The lease was executed with CRMC conditioned upon the Trust's guarantee of future lease payments.

Future minimum rental commitments under this operating lease, as of December 31, 2005, are as follows:

Calendar Year	<u>Amount</u>
2006	\$ 480,275
2007	492,301
2008	504,638
2009	517,198
2010	530,115
2011	543,388
2012	557,017
2013	<u>425,580</u>
	<u>\$4,050,512</u>

This obligation has been recorded as a liability in the accompanying financial statements.

#### **(5) NET CLAIMANTS' EQUITY**

A class action complaint was filed on behalf of all Trust beneficiaries on November 19, 1990, seeking to restructure the methods by which the Trust administers and pays claims. On July 25, 1994, the parties signed a Stipulation of Settlement that included a revised the TDP. The TDP prescribes certain procedures for distributing the Trust's limited assets, including pro rata payments and initial determination of claim value based on scheduled diseases and values. The Court approved the settlement in an order dated January 19, 1995. Though six appeals were filed with the Court of Appeals, no stay was granted and the Trust implemented the TDP payment procedures effective February 21, 1995. On February 21, 1996, the Court of Appeals affirmed the decision.

Prior to the commencement of the class action in 1990, the Trust filed a motion for a determination that its assets constitute a "limited fund" for purposes of Federal Rules of Civil Procedure 23(b)(1)(B). The Courts adopted the findings of the Special Master that the Trust is a "limited fund". In part, the limited fund finding concludes that there is a substantial probability that estimated future assets of the Trust are and will be insufficient to pay in full all claims that have been and will be asserted against the Trust.

The TDP contains certain procedures for the distribution of the Trust's limited assets. Under the TDP, the Trust forecasts its anticipated annual sources and uses of cash until the last projected future claim has been paid. A pro rata payment percentage is calculated such that the Trust will have no remaining assets or liabilities after the last future claimant receives his/her pro rata share.

Prior to the implementation of the TDP, the Trust conducted its own research and monitored studies prepared by the Courts' appointee regarding the valuation of Trust assets and liabilities. Based on this valuation, the TDP provided for an initial 10% payment of the liquidated value of . . . . . required by the TDP, the Trust has periodically reviewed the values of its projected assets and liabilities to determine whether a revised pro rata payment percentage should be applied. The most recent estimate began in 2000 and was concluded in September of 2001. Following its review and consultation with the Selected Counsel for the Beneficiaries (SCB), the Legal Representative of Future

Claimants (Legal Representative) and Special Advisor to the Trust (Special Advisor) and based upon the increase in the number of claims being filed with the Trust, the Trust proposed to the SCB and Future Representative that the pro rata payment percentage be reduced from 10% to 5%, beginning generally with claims filed after October of 2000. The SCB and Legal Representative consented to the Trust's request that, pending a final resolution of this issue and without prejudice to their rights to dispute the issue in binding arbitration, the Trust may make offers and pay claims based upon a 5% pro rata payment percentage. In the event a new higher pro rata share is agreed to, the Trust is obligated to make, as cash is available, a subsequent additional pro rata payment to Trust beneficiaries with liquidated claims whose previous cumulative pro rata share was less than the existing or the new higher pro rata share.

During the second and third quarters of 2002, the SCB and Legal Representative and the Trust met to discuss amending the TDP. As a result of these meetings, in late August 2002, the parties agreed to TDP amendments that are now contained in what is called the "2002 TDP". The 2002 TDP principally provides more stringent exposure requirements and medical criteria and changes the scheduled values for the scheduled diseases. Until October 10, 2003, claimants could file claims pursuant to the original TDP ("1995 TDP") provided that (i) the claim was filed prior to October 10, 2003 and (ii) the claimant's date of diagnosis was prior to September 1, 2002.

The Tillinghast business of Towers, Perrin, Foster & Crosby, Inc. recently completed an actuarial analysis of future asbestos claims experience for the Trust. Based on these forecasts and other assumptions, the Trust is re-estimating the pro rata payment percentage. This re-estimate is being discussed with the Special Advisor to the Trust and representatives of the beneficiaries whose concurrence is required to confirm the current 5% payment or make any adjustments.

Thereafter, the Trust will continue to periodically update its estimate of the pro rata payment percentage based on updated assumptions regarding its future assets and liabilities and, if appropriate, propose additional changes in the pro rata payment percentage.

#### **(6) EMPLOYEE BENEFIT PLANS**

The Trust established a tax-deferred employee savings plan under Section 401(k) of the Internal Revenue Code, with an effective date of January 1, 1988. The plan allows employees to defer a percentage of their salaries within limits set by the Internal Revenue Code with the Trust matching contributions by employees of up to 6% of their salaries. The total employer contributions and expenses under the plan were approximately \$183,400 and \$202,600 for the years ended December 31, 2005 and 2004, respectively.

#### **(7) RESTRICTED CASH EQUIVALENTS AND INVESTMENTS**

In order to avoid the high costs of director and officer liability insurance, the Trust ceased purchasing such insurance in 1991 and, with the approval of the United States Bankruptcy Court for the Southern District of New York, the Trust established a segregated security fund of \$30 million and, with the additional approval of the United States District Court for the Southern and Eastern Districts of New York, an additional escrow fund of \$3 million from the assets of the Trust, which are devoted exclusively to securing the obligations of the Trust to indemnify the former and current Trustees and officers, employees, agents and representatives of the Trust. Also, a \$15 million escrow and security fund was established to secure the obligations of the

Trust to exclusively indemnify the current Trustees, whose access to the other security funds is subordinated to the former Trustees. Upon the final order in the Class Action litigation (Note 3), the \$15 million escrow and security fund was reduced by \$5 million. Pursuant to Section 5.07 of the Plan, Trustees are entitled to a lien on the segregated security and escrow funds to secure the payment of any amounts payable to them through such indemnification. Accordingly, in total, \$43 million has been transferred from the Trust's bank accounts to separate bank escrow accounts and pledge and security agreements have been executed perfecting those interests. The investment earnings on these escrow accounts accrue to the benefit of the Trust.

Additionally, as a condition of the tax agreement between JM and the Trust discussed in Note 8, the Trust was required to transfer \$30 million in cash to an escrow account to secure the payment of its future income tax obligations post settlement of the transaction. The escrow account balance may be increased or decreased over time. As of December 31, 2005, securities with a market value of \$33.9 million were held by an escrow agent in accordance with the agreement. These funds have been reported as restricted investments.

#### **(8) INCOME TAXES**

For Federal income tax purposes, JM had elected for the qualified assets of the Trust to be taxed as a Designated Settlement Fund (DSF). Income and expenses associated with the DSF are taxed in accordance with Section 468B of the Internal Revenue Code, which obligates JM to pay for any federal income tax liability imposed upon the DSF. In addition, pursuant to an agreement between JM and the Trust, JM is obligated to pay for any income tax liability of the Trust. In a separate agreement between the Trust and JM to facilitate the sale of JM to a third party, JM paid the Trust \$90 million to settle the JM obligation to the Trust. In return, the Trust terminated JM's contractual liability for income taxes of the DSF and agreed to indemnify JM in respect for all future income taxes of the Trust and established an escrow fund to secure such indemnification. The statutory income tax rate for the DSF is 15%. As a New York domiciled trust, the Trust is not subject to state income taxes. CRMC is subject to federal and Virginia corporate income state taxes, its state of residence.

The Trust accounts for income taxes in accordance with the Statement of Financial Accounting Standards (SFAS) No. 109, "Accounting for Income Taxes." SFAS No. 109 requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the book and tax basis of assets and liabilities. As of December 31, 2005 and 2004, the Trust has recorded a net deferred tax liability of \$22.7 million and \$18.1 million, respectively from net unrealized gains on available-for-sale securities. As of December 31, 2005 and 2004, the Trust recorded net deferred tax assets of \$319,500 and \$348,600, representing temporary differences primarily due to expensing asset acquisitions for financial reporting purposes, accrued vacation and deferred compensation. The deferred tax assets are included in other assets in the accompanying consolidated statement of net claimants' equity.

**(9) PROOF OF CLAIM FORMS FILED**

Proof of claim forms filed as December 31, 2005 and 2004 with the Trust are as follows:

Settled claims	<u>(659,982)</u>	<u>(639,145)</u>
Claims currently eligible for settlement	<u>18,027</u>	<u>22,976</u>

- (1) Principally claims that have received a denial notification and the claim is in an expired status for more than two years. These claims must be refiled to receive a new offer.
- (2) Claims that received a Trust offer or denial, but failed to respond within the specified response period, usually 360 days. As of December 31, 2005 and 2004, approximately 6,300 and 6,900 respectively, of the claims with expired offers are still eligible to accept their original offer with . . . . .  
All claims with expired offers may also be reactivated upon written request by the claimant and be eligible for a new offer at the end of the FIFO queue.

**(10) MACARTHUR FUND PRINCIPLES**

The 1995 TDP established a separate fund of \$10 million to be available to pay legal fees and expenses of outside counsel of the MacArthur Group in its claims or litigation against current and/or former insurance companies. The MacArthur Group alleged that they were entitled to further insurance coverage for asbestos related losses. If such insurance litigation was successful, then the Trust would be entitled to reimbursement for the amount of funds expended plus interest. Upon the conclusion of successful litigation in 2004, the Trust received \$10 million plus interest of \$2.4 million. The recovery of the \$10 million was recorded as an addition to Net Claimant's Equity and the interest was recorded as interest income.

AFFIDAVIT OF DAVID T. AUSTERN IN SUPPORT OF PROPOSED ORDER  
APPROVING NOTICE OF FILING AND SERVICE LIST FOR ACCOUNT OF  
THE TRUSTEES AND FINANCIAL STATEMENTS OF THE MANVILLE PERSONAL  
INJURY SETTLEMENT TRUST FOR THE PERIOD JANUARY 1, 2005 THROUGH  
DECEMBER 31, 2005 AND APPLICATION FOR APPROVAL THEREFOR

Fairfax, Virginia        )  
                              :    ss  
                              )

DAVID T. AUSTERN, being duly sworn, deposes and says:

1. I am a member of the Bars of the states of New York, Indiana and the District of Columbia as well as various federal courts including the United States Supreme Court. I am General Counsel of the Manville Personal Injury Settlement Trust (the "Trust"). I submit this affidavit in support of the proposed Order Approving Notice of Filing and Service List for the Account of the Trustees and Financial Statements of the Manville Personal Injury Settlement Trust for the Period January 1, 2005 through December 31, 2005 and Application for Approval therefor.

2. Robert A. Falise, Louis Klein, Jr., Frank J. Macchiarola and Christian E. Markey, Jr., Trustees of the Trust (the "Trustees"), have caused to be prepared the annexed Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust for the period January 1, 2005 through December 31, 2005 (the "Account"). The Account is being filed with the Court together with the Application for Approval of Account (the "Application"), and proposed Order Approving Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust (the "Proposed Order"). These documents, together with all exhibits, total over 75 pages.

3. As stated in Schedule G to the Account, the beneficiaries of the Trust are the holders of Allowed AH Claims and Other Asbestos Obligations (including Co-Defendants included within such categories) as defined in the Manville Plan of Reorganization. As of December 31, 2005, approximately 767,686 claims had been filed with the Trust, and approximately 659,982 claims had been settled and paid in full or are partially paid. Of the remaining approximately 107,704 claims which were received but unsettled as of December 31, 2005, 73,548 have been withdrawn, 16,129 have expired offers, and approximately 18,027 are pending. Approximately 3,267 claims were filed pro se by claimants or their personal representatives and the remaining personal injury claimants were represented by approximately 1,618

law firms.

4. The Trustees wish to adopt a reasonable method of giving notice of the Account to all known Trust beneficiaries as well as to Selected Counsel for the Beneficiaries, the Legal Representative and other interested parties. However, the expense of individual service by mail on the 18,027 present, unsettled claimants would be exorbitant.

5. Accordingly, the Trustees seek to provide notice directly to pro se claimants and to the attorneys for those claimants represented by counsel. The Trustees therefore seek this Court's approval to mail the attached form of Notice of Filing to all attorneys representing claimants with pending claims, to all pro se claimants or their personal representatives, as described in Paragraph 3, and to all attorneys representing codefendant and distributor claimants. The Trustees also propose that the Notice of Filing be published in U.S.A. Today.

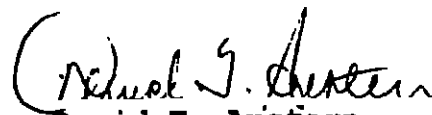

6. The Trustees further propose that complete copies of the Application, the Account and Proposed Order be mailed only to the attorneys for Selected Counsel for the Beneficiaries, the Legal Representative, Johns Manville Corporation and its attorneys, the United States Trustee and to those individuals appointed by the United States District Courts for the Eastern and Southern Districts of New York in connection with a class action filed

against the Trustees on November 19, 1990 on behalf of all Trust beneficiaries.

7. Complete copies of these documents will be on file with the Trust and will be sent to any person requesting them from the office of the General Counsel.

8. To the best of my knowledge and belief, based upon my review of the records of the Trust, the attached Service List representing pending claimants, includes the names of all pro se claimants or their personal representatives having claims presently pending with the Trust, the names of all law firms for personal injury claimants, and codefendants and distributors having such pending claims or who have indicated that they may assert claims against the Trust.

9. No previous application for this relief has been made.
