Sawhill, Donald M. Blinks, Daniel Fogel, Christian E. Markey, Jr., Louis Klein, Jr., Francis H. Hare, Jr., Frank J. Macchiarola, and Robert A. These Prior Accountings have been accepted and approved by the Court, thereby releasing and discharging the Trustees or the Former Trustees, as appropriate, from any further liability or responsibility respecting the matters embraced therein.

Capitalized terms used in this Account of Trustees not otherwise defined herein have the meanings set forth in the Glossary annexed to the Third Amended and Restated Supplemental Agreement dated as of February 26, 2001 between the Trust and the Manville Corporation.

The account of trustees normally filed with the Surrogate's Court of the State of New York by express trusts has herein been modified in the same manner as for the Prior Accountings. A separate Statement of Cash Flows is included herein which reports cash inflows and outflows for the period January 1, 2017 through December 31, 2017.

Both principal and income can be and are used to pay operating expenses of the Trust and Beneficiaries' claims without regard to source. Accordingly, the Trust has not separated principal from income herein or in Prior Accountings nor does the present account include separate statements for principal and income accounts. For example, Schedule C entitled "Statement of Expenses Chargeable to Principal" has again been combined with Schedule C-2, "Statement of Administration Expenses Chargeable to Income". Other like categories have also been combined. In addition, the following schedules are inapplicable and, accordingly, have been omitted:

Schedule B - Statement of Decreases Due to Sales, Liquidations, Collections, Distribution or Uncollectibility. During the year ended December 31, 2017 there were no decreases of assets due to sales, liquidations, collections, distributions or uncollectibility.

Schedule E - Statement of New Investments, Exchanges and Stock Distributions. The Trust's remaining principal has been invested pursuant to investment criteria provided in the Trust Agreement. The resulting net investment income is reported under Schedule A-2. Schedule E is omitted because of the volume of investment transactions.

Schedule H - Computation of Commissions. No commissions were paid or are to be paid by the Trust. Trustee remuneration and expenses are reported under Schedules C and C-2.

The following Account of Trustees is cross-referenced to the Manville Personal Injury Settlement Trust Special-Purpose Consolidated Audited Financial Statements for the year ended December 31, 2017 (Financial Statements) which are annexed hereto as Exhibit A. Exhibit A is hereby and expressly incorporated by reference into and made a part of the Account of Trustees for the year January 1, 2017 through December 31, 2017.

The Trust invests in professionally managed portfolios that contain common shares of publicly traded companies, U.S. government obligations, U.S. and International equities, corporate and other debt, and money market funds. Such investments are exposed to various risks such as interest rate market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Trust's account balance in the future.

- (1) Pursuant to Sections 3.01(b) (xiii) and 5.07 of the Trust Agreement a \$30 million segregated security fund was established of marketable securities to secure the Trust's indemnity obligations to current Trustees with the approval of the United States Bankruptcy Court of the Southern District of New York. The investment earnings of this fund accrue to the benefit of the Trust.

In addition, under a tax agreement between the Trust and Johns Manville Corporation (JM), the Trust was required to transfer cash to an escrow account to secure the payment of its future tax obligations. The escrow balance may be increased or decreased over time. As of December 31, 2017 securities with a market value of \$55.4 million were held by an escrow agent, of which \$14.2 million is reported as restricted in accordance with the tax agreement.

SCHEDULE I - Statement of Pertinent Facts

In March 2017, General Motors LLC ("GM") filed an adversary action against the Trust in the United States Bankruptcy Court for the Southern District of New York. GM sought a declaration that an Ohio state court action it had filed against the Trust did not violate the various channeling injunctions and other orders generally prohibiting lawsuits against the Trust for claims arising from claimed exposure to asbestos, except as specifically set forth in the Manville Trust Distribution Process ("TDP"). In the underlying Ohio action, GM had sued a widow together with several asbestos defendants and asbestos bankruptcy trusts, including the Manville Trust. GM alleged that it had paid workers compensation death benefits to the widow arising from her husband's fatal asbestos-related cancer, and that the widow did not give GM adequate notice of settlements she made with the defendants and asbestos trusts. This lack of adequate notice, GM alleged, made the defendants and asbestos trusts jointly and severally liable for GM's statutory subrogation interest. At a July 20, 2017 hearing, Chief Judge Cecelia G. Morris ruled that GM's state court action against the Trust was enjoined. Her decision is published as *Gen. Motors LLC v. Manville Personal Injury Settlement Trust (In re Johns-Manville Corp.)*, 571 B.R. 69 (Bankr. S.D.N.Y. 2017).

On October 27, 2017, the Trust filed a declaratory judgment action asking the Court to resolve a dispute with the Thorpe Insulation Company Asbestos Settlement Trust ("Thorpe Insulation Trust") regarding claims that the Thorpe Insulation Trust has submitted. The action was filed in

the United States Bankruptcy Court for the Southern District of New York, before Chief Judge Cecelia G. Morris. The Trust has determined that a significant portion of the Thorpe Insulation Trust's claims are not valid Distributor Indemnity Claims as defined by Manville TDP Section I.7(a), as they do not constitute valid claims for indemnification under applicable law. The Thorpe Insulation Trust interprets the TDP and the relevant California law differently, and asserts that the claims are valid. The action asks Chief Judge Morris to resolve this difference in interpretation. The matter remains pending.

In August 2017 the Trust exercised its option to renew its lease on the office it maintains in Pound Ridge, New York for an additional year. The lease is currently set to expire on December 31, 2018.

Independent Auditor's Report

Trustees
Manville Personal Injury Settlement Trust
Pound Ridge, New York

We have audited the accompanying consolidated special-purpose financial statements of the Manville Personal Injury Settlement Trust and its subsidiary (the Trust) (a statutory Trust created under the laws of the State of New York), which comprise the consolidated special-purpose statements of net claimants' equity as of December 31, 2017 and 2016, and the related consolidated special-purpose statements of changes in net claimants' equity and the consolidated special-purpose statements of cash flows for the years then ended, and the related notes to the consolidated special-purpose financial statements.

Management's Responsibility for the Special-Purpose Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated special-purpose financial statements in accordance with the basis of accounting as described in Note 1 to the consolidated special-purpose financial statements. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated special-purpose financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated special-purpose financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated special-purpose financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated special-purpose financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated special-purpose financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated special-purpose financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated special-purpose financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

BDO USA, LLP, a Delaware limited liability partnership, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Opinion

In our opinion, the consolidated special-purpose financial statements referred to above present fairly, in all material respects, the assets and liabilities of the Manville Personal Injury Settlement Trust and subsidiary as of December 31, 2017 and 2016, and the results of its changes in net claimants' equity and its cash flows for the years then ended, in accordance with the basis of accounting described in Note 1 to the consolidated special-purpose financial statements.

Basis of Accounting

We draw attention to Note 1 of the consolidated special-purpose financial statements, which describes the basis of accounting. As described in Note 1, these consolidated special-purpose financial statements were prepared on a special-purpose basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter. The special-purpose basis of accounting has been used in order to communicate the amount of net assets presently available to fund current and future claims.

Restriction of Use

Our report is intended solely for the information and use of the management of the Trust and is not intended to be and should not be used by anyone other than the specified party. This restriction is not intended to limit the distribution of this report which, upon filing with the United States Bankruptcy Court for the Southern District of New York, is a matter of public record.

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

NOTES TO THE CONSOLIDATED SPECIAL-PURPOSE FINANCIAL STATEMENTS

1. Organization and Summary of Significant Special-Purpose Accounting Policies

The Manville Personal Injury Settlement Trust (the Trust), organized pursuant to the laws of the state of New York with its office in Pound Ridge, New York, was established pursuant to the Manville Corporation (Manville or JM) Second Amended and Restated Plan of Reorganization (the Plan). The Trust was formed to assume Manville's liabilities resulting from pending and potential litigation involving (i) individuals exposed to asbestos who have manifested asbestos-related diseases or conditions, (ii) individuals exposed to asbestos who have not yet manifested asbestos-related diseases or conditions and (iii) third-party asbestos-related claims against Manville for indemnification or contribution. Upon consummation of the Plan, the Trust assumed liability for existing and future asbestos health claims. The Trust's funding is dedicated solely to the settlement of asbestos health claims and the related costs thereto, as defined in the Plan. The Trust was consummated on November 28, 1988.

In December 1998, the Trust formed a wholly-owned corporation, the Claims Resolution Management Corporation (CRMC), to provide the Trust with claim processing and settlement services. Prior to January 1, 1999, the Trust provided its own claim processing and settlement services. CRMC began operations on January 1, 1999 in Fairfax, Virginia and subsequently relocated to Falls Church, Virginia. The accounts of the Trust and CRMC have been consolidated for financial reporting purposes. All significant intercompany balances and transactions between the Trust and CRMC have been eliminated in consolidation.

The Trust was initially funded with cash, Manville securities and insurance settlement proceeds. Since consummation, the Trust has converted the Manville securities to cash and currently holds no Manville securities.

Basis of Presentation

The Trust's financial statements are prepared using special-purpose accounting methods that differ from accounting principles generally accepted in the United States of America. The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the amount of equity available for payment of current and future claims. Since the accompanying consolidated special-purpose financial statements and transactions are not based upon generally accepted accounting principles (GAAP), accounting treatment by other parties for these same transactions may differ as to timing and amount. These special-purpose accounting methods are as follows:

1. The financial statements are prepared using the accrual basis of accounting.
2. The funding received from JM and its liability insurers was recorded directly to net claimants' equity. These funds do not represent income of the Trust. Settlement offers for asbestos health claims are reported as deductions in net claimants' equity and do not represent expenses of the Trust.

NOTES TO THE CONSOLIDATED SPECIAL-PURPOSE FINANCIAL STATEMENTS

3. Costs of non-income producing assets, which will be exhausted during the life of the Trust and are not available for satisfying claims, are expensed as they are incurred. These costs include acquisition costs of computer hardware, software, software development, office furniture and leasehold improvements.
4. Future fixed liabilities and contractual obligations entered into by the Trust are recorded directly against net claimants' equity. Accordingly, the future minimum rental commitments outstanding at period end for non-cancelable operating leases, net of any sublease agreements, have been recorded as deductions to net claimants' equity.
5. The liability for unpaid claims reflected in the consolidated special-purpose statements of net claimants' equity represents settled but unpaid claims and outstanding settlement offers. Post-Class Action complaint claims' liability is recorded once a settlement offer is made to the claimant (Note 4 and 6) at the amount equal to the expected pro rata payment. No liability is recorded for future claim filings and filed claims on which no settlement offer has been made. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded.
6. Investment securities are recorded at fair value. All interest and dividend income on investment securities, net of investment expenses are included in investment income on the consolidated special-purpose statements of changes in net claimants' equity. Realized and unrealized gains and losses on investment securities are combined and recorded on the consolidated special-purpose statements of changes in net claimants' equity.

Realized gains/losses on investment securities are recorded based on the security's original cost. At the time a security is sold, all previously recorded unrealized gains/losses are reversed and recorded net, as a component of investment income in the accompanying consolidated statements of changes in net claimants' equity.
7. The Trust records deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the book and tax basis of assets and liabilities.

Use of Estimates

The preparation of the consolidated financial statements in conformity with the special-purpose accounting methods described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net claimants' equity during the reporting period. Actual results could differ from those estimates. The most significant estimates with regard to these financial statements relate to unpaid claims, as discussed in Notes 4 and 6.

The Trust invests in two types of derivative financial instruments. Equity index futures are used as strategic substitutions to cost effectively replicate the underlying index of its domestic equity investment fund. At December 31, 2017, the fair value of these instruments was approximately \$3.3 million and was included in investments on the consolidated special-purpose statements of net claimants' equity. Foreign currency forwards are utilized for both currency translation purposes and to economically hedge against some of the currency risk inherent in foreign equity issues and are generally for periods up to 90 days. At December 31, 2017, the Trust held \$36.6 million in net foreign currency forward contracts. The unrealized loss on these outstanding currency forward contracts of approximately \$0.16 million is offset by an equal unrealized gain due to currency exchange on the underlying international securities. These net amounts are recorded in the consolidated special-purpose statements of net claimants' equity at December 31, 2017.

The Trust invests in professionally managed portfolios that contain common shares of publicly traded companies, U.S. government obligations, U.S. and International equities, corporate and other debt, and money market funds. Such investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

NOTES TO THE CONSOLIDATED SPECIAL-PURPOSE FINANCIAL STATEMENTS

investments securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Trust's account balance in the future and the amounts reported in the consolidated special-purpose statements of net claimants' equity and consolidated special-purpose statements of changes in net claimants' equity.

3. Fixed Assets

The cost of non-income producing assets that will be exhausted during the life of the Trust and are not available for satisfying claims are expensed as incurred. Since inception, the cost of fixed assets expensed, net of disposals, include:

	2017	2016
Acquisition of furniture and equipment	\$ 241,738	\$ 231,591
Acquisition of computer hardware and software	378,097	336,083
Computer software development (e-Claims)	2,361,100	2,361,100
	<u>\$ 2,980,935</u>	<u>\$ 2,928,774</u>

These items have not been recorded as assets, but rather as direct deductions to net claimants' equity in the accompanying consolidated special-purpose financial statements.

4. Unpaid Claims

The Trust distinguishes between claims that were resolved prior to the filing of the class action complaint on November 19, 1990, and claims resolved after the filing of that complaint. Claims resolved prior to the complaint (Pre-Class Action Claims) were resolved under various payment plans, all of which called for 100% payment of the full liquidated amount without interest over some period of time. However, between July 1990 and February 1995, payments on all claims, except qualified exigent health and hardship claims, were stayed by the courts. By court order on July 22, 1993 (which became final on January 11, 1994), a plan submitted by the Trust was approved to immediately pay, subject to claimant approval, a discounted amount on settled, but unpaid Pre-Class Action Claims, in full satisfaction of these claims. The discount amount taken, based on the claimants who accepted the Trust's discounted offer, was approximately \$135 million.

The unpaid liability for the Post-Class Action claims represents outstanding offers made in first-in, first-out (FIFO) order to claimants eligible for settlement after November 19, 1990. Under the Trust Distribution Process (TDP) (Note 6), claimants receive an initial pro rata payment equal to a percentage of the liquidated value of their claim. The Trust remains liable for the unpaid portion of the liquidated amount only to the extent that assets are available after paying all claimants the established pro rata share of their claims. The Trust makes these offers electronically for law firms that file their claims electronically (e-filers), or by sending an offer letter and a release form for claimants that file their proof of claim on paper. E-filers may accept their offers electronically and the Trust records a settled, but unpaid claim at the time of acceptance, then makes payment upon receipt of an acceptable signed release. Paper filers may accept their offer by submitting an acceptable signed release, upon receipt of which the Trust sends a check. An unpaid claim liability is recorded once an offer is made. The unpaid claim liability remains on the

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

NOTES TO THE CONSOLIDATED SPECIAL-PURPOSE FINANCIAL STATEMENTS

Trust's books until accepted or expiration of the offer after 360 days. Expired offers may be reinstated if the claimant accepts the original offer within two years of offer expiration.

5. Commitments

CRMC signed a 7-year and 7-month office lease effective October 1, 2015 at a location in Falls Church, Virginia. The lease provides 7 months free rent and an option for early termination after 5 years and 7 months, subject to an early termination fee.

Future minimum rental commitments under this operating lease, as of December 31, 2017, are as follows:

Years ending December 31,

2018	\$	230,826
2019		237,746
2020		244,880
2021		252,225
2022		259,783
Thereafter		88,523
		<hr/>
		\$ 1,313,983

This obligation has been recorded as a liability in the accompanying consolidated special-purpose statement of net claimants' equity.

6. Net Claimants' Equity

A class action complaint was filed on behalf of all Trust beneficiaries on November 19, 1990, seeking to restructure the methods by which the Trust administers and pays claims. On July 25, 1994, the parties signed a Stipulation of Settlement that included a revised TDP. The TDP prescribes certain procedures for distributing the Trust's limited assets, including pro rata payments and initial determination of claim value based on scheduled diseases and values. The Court approved the settlement in an order dated January 19, 1995 and the Trust implemented the TDP payment procedures effective February 21, 1995.

Prior to the commencement of the class action in 1990, the Trust filed a motion for a determination that its assets constitute a "limited fund" for purposes of Federal Rules of Civil Procedure 23(b)(1)(B). The Courts adopted the findings of the Special Master that the Trust is a "limited fund". In part, the limited fund finding concludes that there is a substantial probability that estimated future assets of the Trust are and will be insufficient to pay in full all claims that have been and will be asserted against the Trust.

The TDP contains certain procedures for the distribution of the Trust's limited assets. Under the TDP, the Trust forecasts its anticipated annual sources and uses of cash until the last projected future claim has been paid. A pro rata payment percentage is calculated such that the Trust will have no remaining assets or liabilities after the last future claimant receives his/her pro rata share.

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

NOTES TO THE CONSOLIDATED SPECIAL-PURPOSE FINANCIAL STATEMENTS

Prior to the implementation of the TDP, the Trust conducted its own research and monitored studies prepared by the Courts' appointee regarding the valuation of Trust assets and liabilities. Based on this valuation, the TDP provided for an initial 10% payment of the liquidated value of then current and estimated future claims (pro rata payment percentage). As required by the TDP, the Trust has periodically reviewed the values of its projected assets and liabilities to determine whether a revised pro rata payment percentage should be applied. In June 2001, the pro rata percentage was reduced from 10% to 5%.

During the second and third quarters of 2002, the Selected Counsel for the Beneficiaries (SCB) and Legal Representative of Future Claimants (Legal Representative) and the Trust met to discuss amending the TDP. As a result of these meetings, in late August 2002, the parties agreed to TDP amendments that are now contained in what is referred to as the "2002 TDP". The 2002 TDP principally changes the categorization criteria and scheduled values for the scheduled diseases.

In January 2008, the Trust completed a review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved an increase in the pro rata percentage from 5% to 7.5%. This proposed change received the required concurrence of the SCB and the Legal Representative in early March 2008. Under the TDP, any claimant who received less than the current pro rata percentage is entitled to receive a retroactive payment sufficient to increase their previous payment percentage to the current pro rata percentage. Accordingly, the Trust recorded a liability of \$365.7 million for approximately 282,000 personal injury claimants eligible to receive a retroactive payment.

In January 2012, the Trustees amended the 2002 TDP to include a provision requiring the Trust to determine the Maximum Annual Payment (MAP) amount, which limits the amount of claim payments in any one year based upon its projections of assets and liabilities at the current pro rata percentage. Once the claim payments in any one year reach the annual MAP amount, the Trust ceases claim payments and any unpaid claims are carried over to the next year and placed at the front of the FIFO payment queue.

In August 2014, the Trust completed a review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved a decrease in the pro rata percentage from 7.5% to 6.25%. This change received the required concurrence of the SCB and Legal Representative.

In November 2016, the Trust completed a review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved a decrease in the pro rata percentage from 6.25% to 5.1%. This change received the required concurrence of the SCB and Legal Representative. All claimants receiving offers after November 4, 2016, were paid a pro rata percentage of 5.1%.

7. Employee Benefit Plans

The Trust established a tax-deferred employee savings plan under Section 401(k) of the Internal Revenue Code, with an effective date of January 1, 1988. On April 7, 2016, the plan was amended and restated as the CRMC Salary Savings and Retirement Plan (the Plan). The Plan allows employees to defer a percentage of their salaries within limits set by the Internal Revenue Code with CRMC matching contributions by employees of up to 6% of their salaries. The total employer contributions and expenses under the plan were approximately \$185,500 and \$165,300 for the years ended December 31, 2017 and 2016, respectively.

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

NOTES TO THE CONSOLIDATED SPECIAL-PURPOSE FINANCIAL STATEMENTS

The Trust and CRMC (collectively, the Employer) established a nonqualified, unfunded deferred compensation plan in accordance with Section 409A of the Internal Revenue Code, with an effective date of November 1, 1995. The plan was most recently amended and restated effective January 1, 2005 and is maintained primarily for the purpose of providing deferred compensation to senior management. The plan allows participants to defer up to 100% of any bonuses and any other incentive compensation paid during the year, as well as up to 25% of their base salaries. Participant accounts are credited monthly with a hypothetical rate of return based on the investment options offered by the Employer and chosen by the participant. However, the Employer is not obligated to purchase any investments selected. Any and all payments made to participants pursuant to the plan shall be made from the general assets of the Employer. All participant accounts under the plan shall be for bookkeeping purposes only and do not represent claims against specific assets of the Employer. The plan does not create a trust of any kind or a fiduciary relationship. Other than calculating and applying hypothetical rates of return to participant accounts, no other Employer contributions shall be made. For the years ended December 31, 2017 and 2016, deferred compensation expense due to participant-elected investment returns totaled approximately \$18,700 and \$2,700, respectively. As of December 31, 2017 and 2016, deferred compensation liabilities totaled approximately \$110,500 and \$92,000, respectively. There were no employee contributions to the plan for the years ended December 31, 2017 and 2016.

8. Restricted Cash Equivalents and Investments

In order to avoid the high costs of director and officer liability insurance (approximately \$2.5 million in 1990), the Trust ceased purchasing such insurance in 1991 and, with the approval of the United States Bankruptcy Court for the Southern District of New York, the Trust established a segregated security fund. Pursuant to this authority, the Trust currently maintains \$30 million in a separate escrow account for the purpose of securing the obligation of the Trust to indemnify former and current Trustees. The investment earnings on these escrow accounts accrue to the benefit of the Trust.

Additionally, as a condition of the tax agreement between JM and the Trust discussed in Note 9, the Trust was required to transfer \$30 million in cash to an escrow account to secure the payment of its future income tax obligations post settlement of the transaction. The escrow account balance may be increased or decreased over time. As of December 31, 2017, securities with a market value of \$55.4 million were held by an escrow agent, of which \$14.2 million is reported as restricted in accordance with the agreement.

9. Income Taxes

For federal income tax purposes, JM had elected for the qualified assets of the Trust to be taxed as a Designated Settlement Fund (DSF). Income and expenses associated with the DSF are taxed in accordance with Section 468B of the Internal Revenue Code, which obligates JM to pay for any federal income tax liability imposed upon the DSF. In addition, pursuant to an agreement between JM and the Trust, JM is obligated to pay for any income tax liability of the Trust. In a subsequent separate agreement between the Trust and JM to facilitate the sale of JM to a third party, JM paid the Trust \$90 million to settle the JM obligation to the Trust. In return, the Trust terminated JM's contractual liability for income taxes of the DSF and agreed to indemnify JM in respect for all future income taxes of the Trust and established an escrow fund to secure such indemnification. The statutory income tax rate for the DSF is 15%. As a New York domiciled trust,

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

NOTES TO THE CONSOLIDATED SPECIAL-PURPOSE FINANCIAL STATEMENTS

the Trust is not subject to state income taxes. CRMC files separate federal and state corporate income tax returns.

As of December 31, 2017 and 2016, the Trust has recorded a net deferred tax liability from net unrealized gains on investment securities of approximately \$42.7 and \$36.7 million, respectively. As of December 31, 2017 and 2016, the Trust had prepaid income taxes of \$0.2 million and income taxes payable of \$1.3 million, respectively. These amounts are included with accrued expenses as of December 31, 2017 and 2016, respectively, on the consolidated statements of net claimants' equity.

10. Proof of Claim Forms Filed

Proof of claim forms filed as December 31, 2017 and 2016 with the Trust are as follows:

	2017	2016
Claims filed	1,024,894	1,001,159

Settled claims	(904,947)	(884,649)
Claims currently eligible for settlement	13,226	11,422

(1) Principally claims that have received a denial notification and the claim is in an expired status for more than two years. These claims must be refiled to receive a new offer.

(2) Claims that received a Trust offer or denial, but failed to respond within the specified response period, usually 360 days. As of December 31, 2017 and 2016, approximately 475 and 464 respectively, of the claims with expired offers are still eligible to accept their original offer with a payment value of \$0.8 and \$0.7 million, respectively. All claims with expired offers may be reactivated upon written request by the claimant and will be eligible for a new offer at the end of the FIFO queue.

11. Subsequent Events

The Trust has evaluated its December 31, 2017 consolidated special-purpose financial statements for subsequent events through February 26, 2018, the date the consolidated special-purpose financial statements were available to be issued. The Trust is not aware of any subsequent events which would require recognition or disclosure in the consolidated special-purpose financial statements.

**AFFIDAVIT OF JARED S. GARELICK IN SUPPORT OF PROPOSED ORDER
APPROVING NOTICE OF FILING AND SERVICE LIST FOR ACCOUNT OF
THE TRUSTEES AND FINANCIAL STATEMENTS OF THE MANVILLE PERSONAL
INJURY SETTLEMENT TRUST FOR THE PERIOD January 1, 2017 THROUGH
DECEMBER 31, 2017 AND APPLICATION FOR APPROVAL THEREFOR**

Fairfax, Virginia)
 : ss
)

JARED S. GARELICK, being duly sworn, deposes and says:

1. I am General Counsel of the Manville Personal Injury Settlement Trust (the "Trust"). I am a member of the Bar of the District of Columbia and, as a corporate counsel, of the Commonwealth of Virginia, as well as various federal courts including the United States Supreme Court. I submit this affidavit in support of the proposed Order Approving Notice of Filing and Service List for the Account of the Trustees and Financial Statements of the Manville Personal Injury Settlement Trust for the Period January 1, 2017 through December 31, 2017 and for the Application for Approval.

2. Edward D. Robertson, Jr., Mark A. Peterson, and Kirk P. Watson, Trustees of the Trust, (the "Trustees"), have caused to be prepared the Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust for the period January 1, 2017 through December 31, 2017 (the "Account"). The Account has being filed with the Court [ECF No. 4325] as has the Application for Approval of Account (the "Application") [ECF No. 4327] together with the proposed Order Approving Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust (the "Proposed Order") [ECF No. 4327-1]. These documents, together with all exhibits, total over 40 pages.

3. The beneficiaries of the Trust are the holders of Allowed AH Claims and Other Asbestos Obligations (including Co-Defendants and Distributors included within such categories) as defined in the Manville Plan of Reorganization. As of December 31, 2017, approximately 1,024,894 claims had been filed with the Trust, and approximately 898,314 claims had been settled and paid in full or are partially paid. Of the remaining approximately 126,580 claims which were received but unsettled as of December 31, 2017, approximately 103,540 have been withdrawn, 2,001 have expired offers, and approximately 21,039 are pending. Excluding the withdrawn population, approximately 32 of the pending claims were filed *pro se* by claimants or their personal representatives and the remaining personal injury claimants were represented by approximately 286 law firms.

4. The Trustees wish to adopt a reasonable method of giving notice of the Account to all known Trust beneficiaries as well as to the Selected Counsel for the Beneficiaries, the Legal Representative of Future Claimants and other interested parties. However, the expense of individual service by mail on the 23,040 present, unsettled claimants would be exorbitant.

5. Accordingly, the Trustees seek to provide notice directly to *pro se* claimants and to the attorneys for those claimants represented by counsel. The Trustees therefore seek this Court's

approval to mail or email the attached form of Notice of Filing to all attorneys representing claimants with pending claims, and to mail the same to all *pro se* claimants or their personal representatives, as described in Paragraph 3, and to all attorneys representing codefendant and distributor claimants. The Trustees propose that for attorneys representing claimants with pending claims with whom the Trust's claims processing facility generally communicates electronically, that the Notice of Filing be sent by email, with the notice to all others sent by US mail.

6. The Trustees further propose that complete copies of the Application, the Account and Proposed Order be mailed or emailed only to the attorneys for Selected Counsel for the Beneficiaries, the Legal Representative, Johns Manville Corporation and its attorneys, the United States Trustee and to those individuals appointed by the United States District Courts for the Eastern and Southern Districts of New York in connection with a class action filed against the Trustees on November 19, 1990 on behalf of all Trust beneficiaries.

7. Complete copies of these documents will be on file with the Trust, will be published on the Trust's web site, www.mantrust.org, and will be sent to any person requesting them from the office of the General Counsel.

8. To the best of my knowledge and belief, based upon my review of the records of the Trust, the attached Service List representing pending claimants includes the names of all law firms for personal injury claimants having claims presently pending with the Trust, and codefendants and distributors having such pending claims or who have indicated that they may assert claims against the Trust, and excludes the approximately 32 *pro se* claimants whose names have been omitted to protect their privacy but whom the Trust proposes to serve.

9. No previous application for this relief has been made.
