**MANVILLE PERSONAL INJURY SETTLEMENT TRUST
ACCOUNT OF TRUSTEES
FOR THE PERIOD JANUARY 1, 2003 THROUGH DECEMBER 31, 2003**

Pursuant to N.Y. EPTL § 7-2.7, Robert A. Falise, Louis Klein, Jr., Frank J. Macchiarola and Christian E. Markey, Jr., (the "Trustees") Trustees of the Manville Personal Injury Settlement Trust (the "Trust"), or John C. Sawhill, Donald M. Blinken, Daniel Fogel, Christian E. Markey, Jr., and Francis H. Hare, Jr., the former trustees of the Trust (the "Former Trustees"), have previously filed accounts of trustees (the "Trustee Accountings") for the periods January 9, 1987 (Trust Inception) through November 28, 1988; November 29, 1988 through December 31, 1989; January 1, 1990 through December 31, 1990; January 1, 1991 through July 5, 1991; July 6, 1991 through December 31, 1991; January 1, 1992 through December 31, 1992; January 1, 1993 through December 31, 1993; January 1, 1994 through December 31, 1994; January 1, 1995 through June 30, 1995; July 1, 1995 through December 31, 1995; January 1, 1996 through December 31, 1996; January 1, 1997 through December 31, 1997; January 1, 1998 through December 31, 1998; January 1, 1999 through December 31, 1999; January 1, 2000 through December 31, 2000; January 1, 2001 through December 31, 2001 and January 1, 2002 through December 31, 2002 (collectively, the "Prior Accountings"). These Prior Accountings have been accepted and approved by the Court, thereby releasing and discharging the Trustees or the Former Trustees, as appropriate, from any further liability or responsibility respecting the matters embraced therein.

Capitalized terms used in this Account of Trustees not otherwise defined herein have the meanings set forth in the Glossary annexed to the Third Amended and Restated Supplemental Agreement dated as of February 26, 2001 between the Trust and Manville Corporation. In March 1996, the Manville Corporation changed its name to Schuller Corporation (Schuller). In May 1997, Schuller changed its name to Johns Manville Corporation (JM).

The account of trustees normally filed with the Surrogate's Court of the State of New York by express trusts has herein been modified in the same manner as for the Prior Accountings. A separate Statement of Cash Flows is included herein which reports cash inflows and outflows for the period January 1, 2003 through December 31, 2003. Exhibit B is included, which summarizes the amounts paid to claimants for the same period.

Both principal and income can be and are used to pay operating expenses of the Trust and Beneficiaries' claims without regard to source. Accordingly, the Trust has not separated principal from income herein or in Prior Accountings nor does the present account include separate statements for principal and income accounts. For example, suggested Schedule C entitled "Statement of Expenses Chargeable to Principal" has again been combined with suggested Schedule C-2, "Statement of Administration Expenses Chargeable to Income". Other like categories have also been combined. In addition, the following schedules are inapplicable and, accordingly, have been omitted:

Schedule B - Statement of Decreases Due to Sales, Liquidations, Collections, Distribution or Uncollectibility. During the period ended December 31, 2003, there were no decreases of assets due to sales, liquidations, collections, distributions or uncollectibility.

Schedule E - Statement of New Investments, Exchanges and Stock Distributions. The Trust's remaining principal has been invested pursuant to investment criteria provided in the Plan. The resulting net investment income is reported under Schedule A-2. Schedule E is omitted because of the volume of investment transactions.

Schedule H - Computation of Commissions. No commissions were paid or are to be paid by the Trust. Trustee remuneration and expenses are reported under Schedules C and C-2.

The following Account is cross-referenced to the Manville Personal Injury Settlement Trust Audited Financial Statements for the year ended December 31, 2003 (Financial Statements) which is annexed hereto as Exhibit A. Exhibits A and B are hereby and expressly incorporated by reference into and made a part of the Account of Trustees for the period January 1, 2003 through December 31, 2003.

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

Special-Purpose Consolidated Financial Statements

As of December 31, 2003 and 2002 with Report of Independent Auditors

 **ERNST & YOUNG**

Report of Independent Auditors

To the Trustees of
Manville Personal Injury Settlement Trust

We have audited the accompanying special-purpose consolidated statements of net claimants' equity of Manville Personal Injury Settlement Trust (the Trust, organized in the state of New York) as of December 31, 2003 and 2002, and the related statements of changes in net claimants' equity and cash flows for the years then ended. These special-purpose consolidated financial statements and the exhibits referred to below are the responsibility of the Trust's management. Our responsibility is to express an opinion on these special-purpose consolidated financial statements and exhibits based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the special-purpose consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the special-purpose consolidated financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these special-purpose consolidated financial statements were prepared on a special-purpose basis of accounting and are not intended to be a presentation in conformity with accounting principles generally accepted in the United States. The special-purpose basis of accounting has been used in order to communicate the amount of equity presently available to current and future claimants.

In our opinion, the accompanying special-purpose consolidated financial statements of Manville Personal Injury Settlement Trust as of and for the years ended December 31, 2003 and 2002, are fairly presented, in all material respects, on the basis of accounting described in Note 2.

Our audits were made for the purpose of forming an opinion on the special-purpose consolidated financial statements taken as a whole. The supplementary schedules at Exhibits I, II, and III are presented for purposes of additional analysis and are not a required part of the special-purpose consolidated financial statements. This information has been subjected to the auditing procedures applied in our audits of the special-purpose consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the special-purpose consolidated financial statements taken as a whole.

This report is intended solely for the information and use of the management of the Trust, the Trustees, the beneficiaries of the Trust, and the United States Bankruptcy Court for the Southern District of New York and is not intended to be and should not be used by anyone other than these specified parties. This restriction is not intended to limit the distribution of this report which, upon filing with the United States Bankruptcy Court for the Southern District of New York, is a matter of public record.

**MANVILLE PERSONAL INJURY SETTLEMENT TRUST
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2003 AND 2002**

(1) DESCRIPTION OF THE TRUST

The Manville Personal Injury Settlement Trust (the Trust), organized pursuant to the laws of the state of New York with its office in Katonah, New York, was established pursuant to the Manville Corporation (Manville or JM) Second Amended and Restated Plan of Reorganization (the Plan). The Trust was formed to assume Manville's liabilities resulting from pending and potential litigation involving (i) individuals exposed to asbestos who have manifested asbestos-related diseases or conditions, (ii) individuals exposed to asbestos who have not yet manifested asbestos-related diseases or conditions and (iii) third-party asbestos-related claims against Manville for indemnification or contribution. Upon consummation of the Plan, the Trust assumed liability for existing and future asbestos health claims. The Trust's initial funding is described below under "Funding of the Trust." The Trust's funding is dedicated solely to the settlement of asbestos health claims and the related costs thereto, as defined in the Plan. The Trust was consummated on November 28, 1988.

In December 1998, the Trust formed a wholly-owned corporation, the Claims Resolution Management Corporation (CRMC), to provide the Trust with claim processing and settlement services. Prior to January 1, 1999, the Trust provided its own claim processing and settlement services. CRMC began operations on January 1, 1999 in Fairfax, Virginia. The accounts of the Trust and CRMC have been consolidated for financial reporting purposes. All significant transactions between the Trust and CRMC have been eliminated in consolidation.

The Trust was initially funded with cash, Manville securities and insurance settlement proceeds. Since consummation, the Trust has converted the Manville securities to cash and currently holds no Manville securities.

(2) SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Presentation

The Trust's financial statements are prepared using special-purpose accounting methods that differ from accounting principles generally accepted in the United States. The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the amount of equity available for payment of current and future claims. These special-purpose accounting methods are as follows:

- (1) The financial statements are prepared using the accrual basis of accounting.
- (2) The funding received from JM and its liability insurers was recorded directly to net claimants' equity. These funds do not represent income of the Trust. Settlement offers for asbestos health claims are reported as deductions in net claimants' equity and do not represent expenses of the Trust.

- (3) Costs of non-income producing assets, which will be exhausted during the life of the Trust and are not available for satisfying claims, are expensed as they are incurred. These costs include acquisition costs of computer hardware, software, software development, office furniture and leasehold improvements.
- (4) Future fixed liabilities and contractual obligations entered into by the Trust are recorded directly against net claimants' equity. Accordingly, the future minimum rental commitments outstanding at period end for non-cancelable operating leases, net of any sublease agreements, have been recorded as deductions to net claimants' equity.
- (5) The liability for unpaid claims reflected in the statements of net claimants' equity represents settled but unpaid claims and outstanding settlement offers. Post-Class Action complaint claims' liability is recorded once a settlement offer is made to the claimant (Note 3) at the amount equal to the expected pro rata payment. No liability is recorded for future claim filings and filed claims on which no settlement offer has been made. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded.
- (6) Available-for-sale securities are recorded at market. All interest and dividend income on available-for-sale securities, net of investment expenses are included in investment income on the statements of changes in net claimants' equity. Realized and unrealized gains and losses on available-for-sale securities are recorded as separate components on the statements of changes in net claimants' equity.

Realized gains/losses on available-for-sale securities are recorded based on the security's original cost. At the time a security is sold, all previously recorded unrealized gains/losses are reversed and recorded net, as a component of other unrealized gains/losses in the accompanying statements of changes in net claimants' equity.

The preparation of financial statements in conformity with the special-purpose accounting methods described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net claimants' equity during the reporting period. Actual results could differ from those estimates. The most significant estimates with regard to these financial statements relate to unpaid claims, as discussed in Notes 3 and 5.

(b) Cash Equivalents and Investments

At December 31, 2003 and 2002, the Trust has recorded all its investment securities at market value, as follows:

	2003		2002	
	Cost	Market	Cost	Market
Restricted				
Cash equivalents	\$4,816,526	\$ 4,816,526	\$4,177,712	\$4,177,712

	2003		2002

Corporate and other debt	286,183,997	291,486,181	304,059,046	313,776,539
Equities – U.S.	872,269,116	877,605,600	870,836,342	659,835,277
Equities – International	91,127,959	93,696,428	97,850,278	72,951,061
Total	\$1,559,538,343	\$1,574,498,838	\$1,690,315,315	\$1,542,786,420

The maturities of the Trust's available-for-sale securities at market value (excluding cash equivalents and equities) are as follows:

	Less Than 1 Year	After 1 Year Through 5 Years	After 5 Years Through 10 Years	After 10 Years
U.S. govt. obligations	\$29,115,774	\$ 87,950,638	\$ 48,940,939	\$ 104,226,625
Corporate and other debt	21,285,933	157,076,843	62,258,413	59,406,613
Total	\$50,401,707	\$ 245,027,481	\$111,199,352	\$ 163,633,238

The Trust invests in two types of derivative financial instruments. Equity index futures are used as strategic substitutions to cost effectively replicate the underlying index of its domestic equity investment fund. At December 31, 2003, the fair value of these instruments was approximately \$6.8 million and was included in investments available-for-sale on the statement of net claimants' equity. Foreign currency forwards are utilized for both currency translation purposes and to economically hedge against the currency risk inherent in foreign equity issues and are generally for periods up to 90 days. At December 31, 2003, the Trust held at market value approximately \$137.9 million in sell currency forward contracts offset by approximately \$139.9 million in buy currency forward contracts. The unrealized loss on these outstanding currency forward contracts of approximately \$2.0 million is principally offset by corresponding unrealized gain due to currency exchange on the underlying securities being hedged. These amounts are recorded in the statement of net claimants' equity at December 31, 2003.

(c) **Fixed Assets**

The cost of non-income producing assets that will be exhausted during the life of the Trust and are not available for satisfying claims are expensed as incurred. Since inception, the cost of fixed assets expensed, net of disposals, include:

Acquisition of furniture and equipment	\$ 952,347
Acquisition of computer hardware and software	1,961,739
Computer software development (e-Claims)	2,361,065
Leasehold improvements	72,965
Total	\$5,348,116

These items have not been recorded as assets, but rather as direct deductions to net claimants' equity in the accompanying consolidated financial statements. The cost of fixed assets, net of proceeds on disposals that were expensed during the years ended December 31, 2003 and 2002 was approximately \$252,569 and \$285,000, respectively.

Depreciation expense related to asset acquisitions using accounting principles generally accepted in the United States would have been approximately \$1,118,200 and \$501,300 for the years ended December 31, 2003 and 2002, respectively.

(3) UNPAID CLAIMS

The Trust distinguishes between claims that were resolved prior to the filing of the class action complaint on November 19, 1990, and claims resolved after the filing of that complaint. Claims resolved prior to the complaint (Pre-Class Action Claims) were resolved under various payment plans, all of which called for 100% payment of the full liquidated amount without interest over some period of time. However, between July 1990 and February 1995, payments on all claims except qualified exigent health and hardship claims were stayed by the courts. By court order on July 22, 1993 (which became final on January 11, 1994), a plan submitted by the Trust was approved to immediately pay, subject to claimant approval, a discounted amount on Pre-Class Action Claims, in full satisfaction of these claims. The discount amount taken, based on the claimants who accepted the Trust's discounted offer, was approximately \$135 million.

The unpaid liability for the Post-Class Action claims represents outstanding offers made in First-in, First-out (FIFO) order to claimants eligible for settlement after November 19, 1990. Under the TDP (Note 5), claimants receive an initial pro rata payment equal to a percentage of the liquidated value of their claim. The Trust remains liable for the unpaid portion of the liquidated amount only to the extent that assets are available after paying all claimants the established pro rata share of their claims. The Trust makes these offers electronically for law firms that file their claims electronically (e-filers), or in the form of a check made payable to the claimant and/or claimant's counsel for claimants that file their proof of claim with paper. E-filers may accept their offers electronically and the Trust records a settled, but unpaid claim at the time of acceptance. Paper filers may accept their offer by depositing the check. An unpaid claim liability is recorded once an offer is made. The unpaid claim liability remains on the Trust's books until accepted or expiration of the offer after 360 days. Expired offers may be reinstated if the claimant accepts the original offer. As of December 31, 2003 and 2002, there were approximately \$13.7 million and \$20.5 million, respectively, of expired offers eligible to be reinstated.

(4) COMMITMENTS AND CONTINGENCIES

Operating Leases

In April 2003, the CRMC executed an early termination of its old lease and a new 10-year lease through September 2013 for its offices in Falls Church, Virginia. CRMC may terminate the new lease at the end of the seventh lease year upon proper notification and payment of certain unamortized leasing costs. The lease was executed with CRMC conditioned upon the Trust's guarantee of future lease payments.

Future minimum rental commitments under this operating lease, as of December 31, 2003, are as follows:

<u>Calendar Year</u>	<u>Amount</u>
2004	403,303
2005	468,605
2006	480,275
2007	492,301
2008	504,638
2009	517,198
2010	530,115
2011	543,388
2012	557,017
2013	<u>425,580</u>
	\$4,922,420

This obligation has been recorded as a liability in the accompanying financial statements.

(5) NET CLAIMANTS' EQUITY

A class action complaint was filed on behalf of all Trust beneficiaries on November 19, 1990, seeking to restructure the methods by which the Trust administers and pays claims. On July 25, 1994, the parties signed a Stipulation of Settlement that included a revised Trust Distribution Process (the TDP). The TDP prescribes certain procedures for distributing the Trust's limited assets, including pro rata payments and initial determination of claim value based on scheduled diseases and values. The Court approved the settlement in an order dated January 19, 1995. Though six appeals were filed with the Court of Appeals, no stay was granted and the Trust implemented the TDP payment procedures effective February 21, 1995. On February 21, 1996, the Court of Appeals affirmed the decision.

Prior to the commencement of the class action in 1990, the Trust filed a motion for a determination that its assets constitute a "limited fund" for purposes of Federal Rules of Civil Procedure 23(b)(1)(B). The Courts adopted the findings of the Special Master that the Trust is a "limited fund". In part, the limited fund finding concludes that there is a substantial probability that estimated future assets of the Trust are and will be insufficient to pay in full all claims that have been and will be asserted against the Trust.

The TDP contains certain procedures for the distribution of the Trust's limited assets. Under the TDP, the Trust forecasts its anticipated annual sources and uses of cash until the last projected future claim has been paid. A pro rata payment percentage is calculated such that the Trust will have no remaining assets or liabilities after the last future claimant receives his/her pro rata share.

Prior to the implementation of the TDP, the Trust conducted its own research and monitored studies prepared by the Courts' appointee regarding the valuation of Trust assets and liabilities. Based on this valuation, the TDP provided for an initial 10% payment of the liquidated value of then current and estimated future claims (pro rata payment percentage). As required by the TDP, the Trust has periodically reviewed the values of its projected assets and liabilities to determine whether a revised pro rata payment percentage should be applied. The most recent estimate began in 2000 and was concluded in September of 2001. Following its review and consultation with the Selected Counsel for the Beneficiaries (SCB), the Legal Representative of Future Claimants (Legal Representative) and Special Advisor to the Trust (Special Advisor), the Trust proposed to the SCB and Future Representative that the pro rata payment percentage be reduced from 10% to 5%, beginning generally with claims filed after October of 2000. The SCB and Legal Representative consented to the Trust's request that, pending a final resolution of this issue and without prejudice to their rights to dispute the issue in binding arbitration, the Trust may make offers and pay claims based upon a 5% pro rata payment percentage.

During the second and third quarters of 2002, the SCB and Legal Representative and the Trust met to discuss amending the TDP. As a result of these meetings, in late August 2002, the parties agreed to TDP amendments that are now contained in what is called the "2002 TDP". The 2002 TDP principally changes the categorization criteria and scheduled values for the scheduled diseases. Until October 10, 2003, claimants could file claims pursuant to the original TDP ("1995 TDP") provided that (i) the claim was filed prior to October 10, 2003 and (ii) the claimant's date of diagnosis was prior to September 1, 2002. Otherwise, claims must be filed pursuant to the 2002 TDP. Pending receipt of sufficient claim filing information to revise the estimate of the pro rata percentage, the Trust, SCB and Legal Representative agreed that the Trust will continue to pay 5% pro rata payment on the liquidated value of resolved 1995 TDP and 2002 TDP claims.

Thereafter, the Trust will continue to periodically update its estimate of the pro rata payment percentage based on updated assumptions regarding its future assets and liabilities and, if appropriate, propose additional changes in the pro rata payment percentage. Management of the Trust believes that adequate information upon which to reasonably update such assumptions is not yet available and estimates that the next revision to the pro rata percentage will be completed sometime in 2004.

(6) EMPLOYEE BENEFIT PLANS

The Trust established a tax-deferred employee savings plan under Section 401(k) of the Internal Revenue Code, with an effective date of January 1, 1988. The plan allows employees to defer a percentage of their salaries within limits set by the Internal Revenue Code with the Trust matching contributions by employees of up to 6% of their salaries. The total employer contributions and expenses under the plan were approximately \$202,600 and \$192,500 for the years ended December 31, 2003 and 2002, respectively.

(7) RESTRICTED CASH EQUIVALENTS AND INVESTMENTS

In order to avoid the high costs of director and officer liability insurance the Trust ceased purchasing such insurance in 1991 and with the approval of the United States Bankruptcy Court for the Southern District of New York, the Trust established a segregated security fund of \$30 million and, with the additional approval of the United States District Court for the Southern and Eastern Districts of New York, an escrow fund of \$3 million from the assets of the Trust, which are devoted exclusively to securing the obligations of the Trust to indemnify the former and current Trustees and officers, employees, agents and representatives of the Trust. In addition, a \$15 million escrow and security fund was established to secure the obligations of the Trust to exclusively indemnify the current Trustees, whose access to the other security funds is subordinated to the former Trustees. Upon the final order in the Class Action litigation (Note 3), the \$15 million escrow and security fund was reduced by \$5 million. Pursuant to Section 5.07 of the Plan, Trustees are entitled to a lien on the segregated security and escrow funds to secure the payment of any amounts payable to them through such indemnification. Accordingly, in total, \$43 million has been transferred from the Trust's bank accounts to separate bank escrow accounts and pledge and security agreements have been executed perfecting those interests. The investment earnings on these escrow accounts accrue to the benefit of the Trust.

As a condition of the tax agreement between JM and the Trust discussed in Note 8 below, the Trust was required to transfer \$30 million in cash to an escrow account to secure the payment of its future income tax obligations post settlement of the transaction. The escrow account balance may be increased or decreased over time. As of December 31, 2003, securities with a market value of \$28.4 million were held by an escrow agent in accordance with the agreement. These funds have been reported as restricted investments.

(8) INCOME TAXES

For Federal income tax purposes, JM had elected for the qualified assets of the Trust to be taxed as a Designated Settlement Fund (DSF). Income and expenses associated with the DSF are taxed in accordance with Section 468B of the Internal Revenue Code, which obligates JM to pay for any federal income tax liability imposed upon the DSF. In addition, pursuant to an agreement between JM and the Trust, JM is obligated to pay for any income tax liability of the Trust. In a separate agreement between the Trust and JM, JM paid the Trust \$90 million to settle JM's obligation to the Trust. In return, the Trust terminated JM's contractual liability for income taxes of the DSF and agreed to indemnify JM in respect for all future income taxes of the Trust. The statutory income tax rate for the DSF is 15%.

The Trust accounts for income taxes in accordance with the Statement of Financial Accounting Standards (SFAS) No. 109, "Accounting for Income Taxes." SFAS No. 109 requires the recognition of deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the book and tax basis of assets and liabilities. As of December 31, 2003 and 2002, the Trust has recorded a net deferred tax asset of \$297,500 and \$81,000, representing temporary differences primarily due to expensing asset acquisitions for financial reporting purposes, accrued vacation and deferred compensation. The deferred asset is included in other assets in the accompanying consolidated statement of net claimants' equity.

As of December 31, 2003 and 2002, approximately 4,900 and 7,200 respectively, of the claims with expired offers are still eligible to accept their original offer with a payment value of \$13.7 million and \$20.5 million, respectively. The claims may be reactivated upon written request by the claimant and be eligible for a new offer at the end of the FIFO queue.

AFFIDAVIT OF DAVID T. AUSTERN IN SUPPORT OF PROPOSED ORDER
APPROVING NOTICE OF FILING AND SERVICE LIST FOR ACCOUNT OF
THE TRUSTEES AND FINANCIAL STATEMENTS OF THE MANVILLE PERSONAL
INJURY SETTLEMENT TRUST FOR THE PERIOD JANUARY 1, 2003 THROUGH
DECEMBER 31, 2003 AND APPLICATION FOR APPROVAL THEREFOR

Fairfax, Virginia)

DAVID T. AUSTERN, being duly sworn, deposes and says:

1. I am a member of the Bars of the states of New York,
Indiana and the District of Columbia as well as various federal
courts including the United States Supreme Court. I am General
Counsel of the Manville Personal Injury Settlement Trust (the
"Trust"). I submit this affidavit in support of the proposed
Order Approving Notice of Filing and Service List for the Account
of the Trustees and Financial Statements of the Manville Personal
Injury Settlement Trust for the Period January 1, 2003 through
December 31, 2003 and Application for Approval therefor.

2. Robert A. Falise, Louis Klein, Jr., Frank J. Macchiarola and Christian E. Markey, Jr., Trustees of the Trust (the "Trustees"), have caused to be prepared the annexed Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust for the period January 1, 2003 through December 31, 2003 (the "Account"). The Account is being filed with the Court together with the Application for Approval of Account (the "Application"), and proposed Order Approving Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust (the "Proposed Order"). These documents, together with all exhibits, total over 90 pages.

3. As stated in Schedule G to the Account, the beneficiaries of the Trust are the holders of Allowed AH Claims and Other Asbestos Obligations (including Co-Defendants included within such categories) as defined in the Manville Plan of Reorganization. As of December 31, 2003, approximately 693,000 claims had been filed with the Trust, and approximately 596,500 claims had been settled and paid in full or are partially paid. Of the remaining approximately 96,500 claims which were received but unsettled as of December 31, 2003, 25,500 have been withdrawn, 5,000 have expired offers, and approximately 66,000 are unsettled. Approximately 1,400 claims were filed pro se by claimants or their personal representatives and the remaining

personal injury claimants were represented by approximately 500 law firms.

4. The Trustees wish to adopt a reasonable method of giving notice of the Account to all known Trust beneficiaries as well as to Selected Counsel for the Beneficiaries, the Legal Representative and other interested parties. However, the expense of individual service by mail on the 66,000 present, unsettled claimants would be exorbitant.

5. Accordingly, the Trustees seek to provide notice directly to pro se claimants and to the attorneys for those claimants represented by counsel. The Trustees therefore seek this Court's approval to mail the attached form of Notice of Filing to all attorneys representing claimants with pending claims, to all pro se claimants or their personal representatives, as described in Paragraph 3, and to all attorneys representing codefendant and distributor claimants. The Trustees also propose that the Notice of Filing be published in U.S.A. Today.

6. The Trustees further propose that complete copies of the Application, the Account and Proposed Order be mailed only to the attorneys for Selected Counsel for the Beneficiaries, the Legal Representative, Johns Manville Corporation and its attorneys, the United States Trustee and to those individuals appointed by the United States District Courts for the Eastern and Southern

Districts of New York in connection with a class action filed against the Trustees on November 19, 1990 on behalf of all Trust beneficiaries.

7. Complete copies of these documents will be on file with the Trust and will be sent to any person requesting them from the office of the General Counsel.

8. To the best of my knowledge and belief, based upon my review of the records of the Trust, the attached Service List includes the names of all pro se claimants or their personal representatives having claims presently pending with the Trust, the names of all law firms for personal injury claimants, and codefendants and distributors having such pending claims or who have indicated that they may assert claims against the Trust.

9. No previous application for this relief has been made.

David T. Auster
General Counsel

Sworn to before me this
15th day of *March*, 2004.
