MANVILLE PERSONAL INJURY SETTLEMENT TRUST
ACCOUNT OF TRUSTEES
FOR THE PERIOD JANUARY 1, 2011 THROUGH DECEMBER 31, 2011

Pursuant to N.Y. EPTL § 7-2.7, Robert A. Falise, Mark A. Peterson, and Frank J. Macchiarola; (the "Trustees") Trustees of the Manville Personal Injury Settlement Trust (the "Trust"), or John C. Sawhill, Donald M. Blinken, Daniel Fogel, Christian E. Markey, Jr., Louis Klein, Jr. and Francis H. Hare, Jr., the former trustees of the Trust (the "Former Trustees"), have previously filed accounts of trustees (the "Trustee Accountings") for the periods January 9, 1987 (Trust Inception) through November 28, 1988; November 29, 1988 through December 31, 1989; January 1, 1990 through December 31, 1990; January 1, 1991 through July 5, 1991; July 6, 1991 through December 31, 1991; January 1, 1992 through December 31, 1992; January 1, 1993 through December 31, 1993; January 1, 1994 through December 31, 1994; January 1, 1995 through June 30, 1995; July 1, 1995 through December 31, 1995; January 1, 1996 through December 31, 1996; January 1, 1997 through December 31, 1997; January 1, 1998 through December 31, 1998; January 1, 1999 through December 31, 1999; January 1, 2000 through December 31, 2000; January 1, 2001 through December 31, 2001; January 1, 2002 through December 31, 2002; January 1, 2003 through December 31, 2003; January 1, 2004 through December 31, 2004; January 1, 2005 through December 31, 2005; January 1, 2006 through December 31, 2006; January 1, 2007 through June 30, 2007; July 1, 2007 through December 31, 2007; January 1, 2008 through December 31, 2008; January 1, 2009 through December 31, 2009 and January 1, 2010 through December 31, 2010 (collectively, the "Prior Accountings"). These Prior Accountings have been accepted and approved by the Court, thereby releasing and discharging the Trustees or the Former Trustees, as appropriate, from any further liability or responsibility respecting the matters embraced therein.

Capitalized terms used in this Account of Trustees not otherwise defined herein have the meanings set forth in the Glossary annexed to the Third Amended and Restated Supplemental Agreement dated as of February 26, 2001 between the Trust and the Manville Corporation.

The account of trustees normally filed with the Surrogate's Court of the State of New York by express trusts has herein been modified in the same manner as for the Prior Accountings. A separate Statement of Cash Flows is included herein which reports cash inflows and outflows for the period January 1, 2011 through December 31, 2011.

Both principal and income can be and are used to pay operating expenses of the Trust and Beneficiaries' claims without regard to source. Accordingly, the Trust has not separated principal from income herein or in Prior Accountings nor does the present account include separate statements for principal and income accounts. For example, Schedule C entitled "Statement of Expenses Chargeable to Principal" has again been combined with Schedule C-2, "Statement of Administration Expenses Chargeable to Income". Other like categories have also been combined. In addition, the following schedules are inapplicable and, accordingly, have been omitted:

Schedule B - Statement of Decreases Due to Sales, Liquidations, Collections, Distribution or Uncollectibility. During the year ended December 31, 2011 there were no decreases of assets due to sales, liquidations, collections, distributions or uncollectibility.

Schedule E - Statement of New Investments, Exchanges and Stock Distributions. The Trust's remaining principal has been invested pursuant to investment criteria provided in the Trust Agreement. The resulting net investment income is reported under Schedule A-2. Schedule E is omitted because of the volume of investment transactions.

Schedule H - Computation of Commissions. No commissions were paid or are to be paid by the Trust. Trustee remuneration and expenses are reported under Schedules C and C-2.

The following Account of Trustees is cross-referenced to the Manville Personal Injury Settlement Trust Special-Purpose Consolidated Audited Financial Statements for the year ended December 31, 2011 (Financial Statements) which are annexed hereto as Exhibit A. Exhibits A is hereby and expressly incorporated by reference into and made a part of the Account of Trustees for the year January 1, 2011 through December 31, 2011.

The Trust invests in professionally managed portfolios that contain common shares of publicly traded companies, U.S. government obligations, U.S. and International equities, corporate and other debt, and money market funds. Such investments are exposed to various risks such as interest rate market and credit risks. Due to the level of risk associated with certain investments securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Trust's account balance in the future.

- (1) \$43 million of the marketable securities secure the Trust's indemnity obligations to current and former Trustees, officers, employees and other representatives of the Trust. The investment earnings on these securities accrue to the benefit of the Trust. In addition, under a tax agreement between the Trust and Johns Manville Corporation (JM), the Trust was required to transfer cash to an escrow account to secure the payment of its future tax obligations. The escrow balance may be increased or decreased over time. As of December 31, 2011 securities with a market value of \$39.5 million were held by an escrow agent, of which \$8.7 million is reported as restricted in accordance with the tax agreement.

INDEPENDENT AUDITOR'S REPORT

To the Trustees
Manville Personal Injury Settlement Trust
Pound Ridge, New York

We have audited the accompanying special-purpose consolidated statements of net claimants' equity of Manville Personal Injury Settlement Trust (the Trust, organized in the State of New York) as of December 31, 2011 and 2010, and the related special-purpose consolidated statements of changes in net claimants' equity and of cash flows for the years then ended. These special-purpose consolidated financial statements are the responsibility of the Trust's management. Our responsibility is to express an opinion on these special-purpose consolidated financial statements and supplementary information based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these special-purpose consolidated financial statements were prepared on a special-purpose basis of accounting and are not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. The special-purpose basis of accounting has been used in order to communicate the amount of equity presently available to current and future claimants.

In our opinion, the special-purpose consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Trust as of December 31, 2011 and 2010 and the results of its changes in net claimants' equity and its cash flows for the years then ended in conformity with the basis of accounting described in Note 2.

This report is intended solely for the information and use of the management of the Trust, the Trustees, the beneficiaries of the Trust, and the United States Bankruptcy Court for the Southern District of New York and is not intended to be and should not be used by anyone other than these specified parties. This restriction is not intended to limit the distribution of this report which, upon filing with the United States Bankruptcy Court for the Southern District of New York, is a matter of public record.

MANVILLE PERSONAL INJURY SETTLEMENT TRUST

NOTES TO THE SPECIAL-PURPOSE CONSOLIDATED FINANCIAL STATEMENTS

DECEMBER 31, 2011 AND 2010

(1) DESCRIPTION OF THE TRUST

The Manville Personal Injury Settlement Trust (the Trust), organized pursuant to the laws of the state of New York with its office in Pound Ridge, New York, was established pursuant to the Manville Corporation (Manville or JM) Second Amended and Restated Plan of Reorganization (the Plan). The Trust was formed to assume Manville's liabilities resulting from pending and potential litigation involving (i) individuals exposed to asbestos who have manifested asbestos-related diseases or conditions, (ii) individuals exposed to asbestos who have not yet manifested asbestos-related diseases or conditions and (iii) third-party asbestos-related claims against Manville for indemnification or contribution. Upon consummation of the Plan, the Trust assumed liability for existing and future asbestos health claims. The Trust's initial funding is described below under "Funding of the Trust." The Trust's funding is dedicated solely to the settlement of asbestos health claims and the related costs thereto, as defined in the Plan. The Trust was consummated on November 28, 1988.

In December 1998, the Trust formed a wholly-owned corporation, the Claims Resolution Management Corporation (CRMC), to provide the Trust with claim processing and settlement services. Prior to January 1, 1999, the Trust provided its own claim processing and settlement services. The accounts of the Trust and CRMC have been consolidated for financial reporting purposes. All significant intercompany balances and transactions between the Trust and CRMC have been eliminated in consolidation.

The Trust was initially funded with cash, Manville securities and insurance settlement proceeds. Since consummation, the Trust has converted the Manville securities to cash and currently holds no Manville securities.

(2) SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Presentation

The Trust's financial statements are prepared using special-purpose accounting methods that differ from accounting principles generally accepted in the United States. The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the amount of equity available for payment of current and future claims. Since the accompanying consolidated special-purpose financial statements and transactions are not based upon GAAP, accounting treatment by other parties for these same transactions may differ as to timing and amount. These special-purpose accounting methods are as follows:

- (1) The financial statements are prepared using the accrual basis of accounting.
- (2) The funding received from JM and its liability insurers was recorded directly to net claimants' equity. These funds do not represent income of the Trust. Settlement offers for asbestos health claims are reported as deductions in net claimants' equity and do not represent expenses of the Trust.
- (3) Costs of non-income producing assets, which will be exhausted during the life of the Trust and are not available for satisfying claims, are expensed as they are incurred. These costs include acquisition costs of computer hardware, software, software development, office furniture and leasehold improvements.
- (4) Future fixed liabilities and contractual obligations entered into by the Trust are recorded directly against net claimants' equity. Accordingly, the future minimum rental commitments outstanding at period end for non-cancelable operating leases, net of any sublease agreements, have been recorded as deductions to net claimants' equity.

- (5) The liability for unpaid claims reflected in the special-purpose consolidated statements of net claimants' equity represents settled but unpaid claims and outstanding settlement offers. Post-Class Action complaint claims' liability is recorded once a settlement offer is made to the claimant (Note 5) at the amount equal to the expected pro rata payment. No liability is recorded for future claim filings and filed claims on which no settlement offer has been made. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded.
- (6) Investment securities are recorded at fair value. All interest and dividend income on investment securities, net of investment expenses, and realized and unrealized gains and losses on investment securities are included in investment income on the special-purpose consolidated statements of changes in net claimants' equity.
- Realized gains/losses on investment securities are recorded based on the security's original cost. At the time a security is sold, all previously recorded unrealized gains/losses are reversed and recorded net, as a component of other unrealized gains/losses in the accompanying consolidated statements of changes in net claimants' equity.
- (7) The Trust records deferred tax assets and liabilities for the expected future tax consequences of temporary differences between the book and tax basis of assets and liabilities.

(b) Use of Estimates

The preparation of financial statements in conformity with the special-purpose accounting methods described above requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions to net claimants' equity during the reporting period. Actual results could differ from those estimates. The most significant estimates with regard to these financial statements relate to unpaid claims, as discussed in Notes 5 and 7.

(c) Subsequent Events

The Trust has evaluated its December 31, 2011 special-purpose consolidated financial statements for subsequent events through February 24, 2012, the date the special-purpose consolidated financial statements were available to be issued. The Trust is not aware of any subsequent events which would require recognition or disclosure in the special-purpose consolidated financial statements.

(3) CASH EQUIVALENTS AND INVESTMENTS

At December 31, 2011 and 2010, the Trust has recorded all of its investment securities at fair value, as follows:

The Trust invests in two types of derivative financial instruments. Equity index futures are used as strategic substitutions to cost effectively replicate the underlying index of its domestic equity investment fund. At December 31, 2011, the fair value of these instruments was approximately \$4.1 million and was included in investments on the special-purpose consolidated statements of net claimants' equity. Foreign currency forwards are utilized for both currency translation purposes and to economically hedge against some of the currency risk inherent in foreign equity issues and are generally for periods up to 90 days. At December 31, 2011, the Trust held \$38.7 million in net foreign currency forward contracts. The unrealized loss on these outstanding currency forward contracts of approximately \$0.2 million is offset by an equal unrealized gain due to currency exchange on the underlying international securities. These net amounts are recorded in the special-purpose consolidated statements of net claimants' equity as of December 31, 2011.

The Trust invests in professionally managed portfolios that contain common shares of publicly traded companies, U.S. government obligations, U.S. and international equities, corporate and other debt, and money market funds. Such investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Trust's account balance in the future and the amounts reported in the accompanying special-purpose consolidated financial statements.

(4) FIXED ASSETS

The cost of non-income producing assets that will be exhausted during the life of the Trust and are not available for satisfying claims are expensed as incurred. Since inception, the cost of fixed assets expensed, net of disposals, include:

Acquisition of furniture and equipment	\$242,800
Acquisition of computer hardware and software	377,600
Computer software development (e-Claims)	<u>2,361,100</u>
Total	<u>\$2,981,500</u>

These items have not been recorded as assets, but rather as direct deductions to net claimants' equity in the accompanying special-purpose consolidated financial statements.

(5) UNPAID CLAIMS

The Trust distinguishes between claims that were resolved prior to the filing of the class action complaint on November 19, 1990, and claims resolved after the filing of that complaint. Claims resolved prior to the complaint (Pre-Class Action Claims) were resolved under various payment plans, all of which called for 100% payment of the full liquidated amount without interest over some period of time. However, between July 1990 and February 1995, payments on all claims, except qualified exigent health and hardship claims, were stayed by the courts. By court order on July 22, 1993 (which became final on January 11, 1994), a plan submitted by the Trust was approved to immediately pay, subject to claimant approval, a discounted amount on settled, but unpaid Pre-Class Action Claims, in full satisfaction of these claims. The discount amount taken, based on the claimants who accepted the Trust's discounted offer, was approximately \$135 million.

The unpaid liability for the Post-Class Action claims represents outstanding offers made in first-in, first-out (FIFO) order to claimants eligible for settlement after November 19, 1990. Under the Trust Distribution Process (TDP) (Note 7), claimants receive an initial pro rata payment equal to a percentage of the liquidated value of their claim. The Trust remains liable for the unpaid portion of the liquidated amount only to the extent that assets are available after paying all claimants the established pro rata share of their claims. The Trust makes these offers electronically for law firms that file their claims electronically (e-filers), or in the form of a check made payable to the claimant and/or claimant's counsel for claimants that file their proof of claim on paper. E-filers may accept their offers electronically and the Trust records a settled, but unpaid claim at the time of acceptance. Paper filers may accept their offer by depositing the check. An unpaid claim liability is recorded once an offer is made. The unpaid claim liability remains on the Trust's books until accepted or expiration of the offer after 360 days. Expired offers may be reinstated if the claimant accepts the original offer within two years of offer expiration.

(6) COMMITMENT

In September 2009, the CRMC executed an early termination of its Falls Church, Virginia office space lease effective September 30, 2010. Subsequently, CRMC signed a new 5-year office lease effective October 1, 2010 at its same location for approximately one-half of the existing space. CRMC has a 5-year option at expiration of its current lease in September 2015.

Future minimum rental commitments under this operating lease, as of December 31, 2011, are as follows:

<u>Calendar Year</u>	<u>Amount</u>
2012	\$299,388
2013	308,330
2014	317,561
2015	<u>243,513</u>
	<u>\$1,168,792</u>

This obligation has been recorded as a liability in the accompanying special-purpose consolidated statements of net claimants' equity.

(7) NET CLAIMANTS' EQUITY

A class action complaint was filed on behalf of all Trust beneficiaries on November 19, 1990, seeking to restructure the methods by which the Trust administers and pays claims. On July 25, 1994, the parties signed a Stipulation of Settlement that included a revised the TDP. The TDP prescribes certain procedures for distributing the Trust's limited assets, including pro rata payments and initial determination of claim value based on scheduled diseases and values. The Court approved the settlement in an order dated January 19, 1995 and the Trust implemented the TDP payment procedures effective February 21, 1995.

Prior to the commencement of the class action in 1990, the Trust filed a motion for a determination that its assets constitute a "limited fund" for purposes of Federal Rules of Civil Procedure 23(b)(1)(B). The Courts adopted the findings of the Special Master that the Trust is a "limited fund". In part, the limited fund finding

concludes that there is a substantial probability that estimated future assets of the Trust are and will be insufficient to pay in full all claims that have been and will be asserted against the Trust.

The TDP contains certain procedures for the distribution of the Trust's limited assets. Under the TDP, the Trust forecasts its anticipated annual sources and uses of cash until the last projected future claim has been paid. A pro rata payment percentage is calculated such that the Trust will have no remaining assets or liabilities after the last future claimant receives his/her pro rata share.

Prior to the implementation of the TDP, the Trust conducted its own research and monitored studies prepared by the Courts' appointee regarding the valuation of Trust assets and liabilities. Based on this valuation, the TDP provided for an initial 10% payment of the liquidated value of then current and estimated future claims (pro rata payment percentage). As required by the TDP, the Trust has periodically reviewed the values of its projected assets and liabilities to determine whether a revised pro rata payment percentage should be applied. In June 2001, the pro rata percentage was reduced from 10% to 5%.

During the second and third quarters of 2002, the Selected Counsel for the Beneficiaries (SCB) and Legal Representative of Future Claimants (Legal Representative) and the Trust met to discuss amending the TDP. As a result of these meetings, in late August 2002, the parties agreed to TDP amendments that are now contained in what is referred to as the "2002 TDP". The 2002 TDP principally changes the categorization criteria and scheduled values for the scheduled diseases.

In January 2008, the Trust completed its most recent review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved an increase in the pro rata percentage from 5% to 7.5%. This proposed change received the required concurrence of the SCB and the Legal Representative in early March 2008. Under the TDP, any claimant who received less than the current pro rata percentage is entitled to receive a retroactive payment sufficient to increase their previous payment percentage to the current pro rata percentage. Accordingly, the Trust recorded a liability of \$365.7 million for approximately 282,000 personal injury claimants eligible to receive a retroactive payment. As of December 31, 2011, the Trust has paid all but approximately 7,100 eligible claimants. It is expected that most of these claimants will not be located. During the year ended December 31, 2010, the Trust reduced the liability for the pro rata adjustment by \$7.4 million and added the amount back to Net Claimants' Equity.

The Trust recently completed its review of the pro rata percentage based upon new claim forecasts and asset projections. At this time, the Trustees elected to keep the current pro rata percentage at 7.5 %, subject to monitoring of both claim filings and the Trust Corpus.

(8) EMPLOYEE BENEFIT PLAN

The Trust established a tax-deferred employee savings plan under Section 401(k) of the Internal Revenue Code, with an effective date of January 1, 1988. The plan allows employees to defer a percentage of their salaries within limits set by the Internal Revenue Code with the Trust matching contributions by employees of up to 6% of their salaries. The total employer contributions and expenses under the plan were approximately \$112,000 and \$149,500 for the years ended December 31, 2011 and 2010 respectively.

(9) RESTRICTED CASH EQUIVALENTS AND INVESTMENTS

In order to avoid the high costs of director and officer liability insurance (approximately \$2.5 million in 1990), the Trust ceased purchasing such insurance in 1991 and, with the approval of the United States Bankruptcy Court for the Southern District of New York, the Trust established a segregated security fund of \$30 million and, with the additional approval of the United States District Court for the Southern and Eastern Districts of New York, an additional escrow fund of \$3 million from the assets of the Trust, which are devoted exclusively to securing the obligations of the Trust to indemnify the former and current Trustees and officers, employees, agents and representatives of the Trust and CRMC. Also, a \$15 million escrow and security fund was established to secure the obligations of the Trust to exclusively indemnify the current Trustees, whose access to the other security funds is subordinated to the former Trustees. Upon the final order in the Class Action litigation (Note 5), the \$15 million escrow and security fund was reduced by \$5 million. Pursuant to Section 5.07 of the Plan, Trustees are entitled to a lien on the segregated security and escrow funds to secure the payment of any amounts payable to

them through such indemnification. Accordingly, in total, \$43 million has been transferred from the Trust's bank accounts to separate escrow accounts and pledge and security agreements have been executed perfecting those interests. The investment earnings on these escrow accounts accrue to the benefit of the Trust.

Additionally, as a condition of the tax agreement between JM and the Trust discussed in Note 10, the Trust was required to transfer \$30 million in cash to an escrow account to secure the payment of its future income tax obligations post settlement of the transaction. The escrow account balance may be increased or decreased over time. As of December 31, 2011, securities with a market value of \$39.5 million were held by an escrow agent, of which \$8.7 million is reported as restricted in accordance with the agreement.

(10) INCOME TAXES

For federal income tax purposes, JM had elected for the qualified assets of the Trust to be taxed as a Designated Settlement Fund (DSF). Income and expenses associated with the DSF are taxed in accordance with Section 468B of the Internal Revenue Code, which obligates JM to pay for any federal income tax liability imposed upon the DSF. In addition, pursuant to an agreement between JM and the Trust, JM is obligated to pay for any income tax liability of the Trust. In a subsequent separate agreement between the Trust and JM to facilitate the sale of JM to a third party, JM paid the Trust \$90 million to settle the JM obligation to the Trust. In return, the Trust terminated JM's contractual liability for income taxes of the DSF and agreed to indemnify JM in respect for all future income taxes of the Trust and established an escrow fund to secure such indemnification. The statutory income tax rate for the DSF is 15%. As a New York domiciled trust, the Trust is not subject to state income taxes. CRMC files separate federal and state corporate income taxes returns.

As of December 31, 2011, the Trust has recorded a net deferred tax liability of approximately \$21.5 million from net unrealized gains on investment securities. As of December 31, 2011 and 2010, the Trust recorded net deferred tax assets of \$159,000 and \$158,000, representing temporary differences primarily due to expensing asset acquisitions for financial reporting purposes, accrued vacation and deferred compensation. The deferred tax assets are included in other assets in the accompanying consolidated statement of net claimants' equity. As of December 31, 2011 and 2010, the Trust has income taxes receivable of \$294,000 and \$816,000, respectively. These amounts are included with other assets as of December 31, 2011 and 2010 on the consolidated statements of net claimants' equity.

(11) PROOF OF CLAIM FORMS FILED

Proof of claim forms filed as December 31, 2011 and 2010 with the Trust are as follows:

- (2) Claims that received a Trust offer or denial, but failed to respond within the specified response period, usually 360 days. As of December 31, 2011 and 2010, approximately 610 and 660 respectively, of the claims with expired offers are still eligible to accept their original offer with a payment value of \$1.8 million and \$4.0 million, respectively. All claims with expired offers may be reactivated upon written request by the claimant and will be eligible for a new offer at the end of the FIFO queue.

1. I am General Counsel of the Manville Personal Injury Settlement Trust (the "Trust"). I am a member of the Bars of the states of New York and the District of Columbia, as well as various federal courts including the United States Supreme Court. I submit this affidavit in support of the proposed Order Approving Notice of Filing and Service List for the Account of the Trustees and Financial Statements of the Manville Personal Injury Settlement Trust for the Period January 1, 2011 through December 31, 2011 and for the Application for Approval.

2. Robert A. Falise, Frank J. Macchiarola, and Mark A. Peterson, Trustees of the Trust (the "Trustees"), have caused to be prepared the annexed Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust for the period January 1, 2011 through December 31, 2011 (the "Account"). The Account is being filed with the Court together with the Application for Approval of Account (the "Application"), and proposed Order Approving Account of Trustees and Financial Statements of the Manville Personal Injury Settlement Trust (the "Proposed Order"). These documents, together with all exhibits, total over 70 pages.

3. As stated in Schedule G to the Account, the beneficiaries of the Trust are the holders of Allowed AH Claims and Other Asbestos Obligations (including Co-Defendants included within such categories) as defined in the Manville Plan of Reorganization. As of December 31, 2011, approximately 885,000 claims had been filed with the Trust, and approximately 769,000 claims had been settled and paid in full or are partially paid. Of the remaining approximately 116,000 claims which were received but unsettled as of December 31, 2011, approximately 94,000 have been withdrawn, 1,600 have expired offers, and approximately 20,000 are pending. Excluding the withdrawn population, approximately 4,000 claims were filed pro se by claimants or their personal representatives and the remaining personal injury claimants were represented by approximately 1,500 law firms.

4. The Trustees wish to adopt a reasonable method of giving notice of the Account to all known Trust beneficiaries as well

as to Selected Counsel for the Beneficiaries, the Legal Representative and other interested parties. However, the expense of individual service by mail on the 20,000 present, unsettled claimants would be exorbitant.

5. Accordingly, the Trustees seek to provide notice directly to pro se claimants and to the attorneys for those claimants represented by counsel. The Trustees therefore seek this Court's approval to mail the attached form of Notice of Filing to all attorneys representing claimants with pending claims, to all pro se claimants or their personal representatives, as described in Paragraph 3, and to all attorneys representing codefendant and distributor claimants. The Trustees also propose that the Notice of Filing be published in U.S.A. Today.

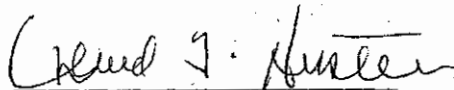

6. The Trustees further propose that complete copies of the Application, the Account and Proposed Order be mailed only to the attorneys for Selected Counsel for the Beneficiaries, the Legal Representative, Johns Manville Corporation and its attorneys, the United States Trustee and to those individuals appointed by the United States District Courts for the Eastern and Southern Districts of New York in connection with a class action filed against the Trustees on November 19, 1990 on behalf of all Trust beneficiaries.

7. Complete copies of these documents will be on file with the Trust and will be sent to any person requesting them from the office of the General Counsel.

8. To the best of my knowledge and belief, based upon my review of the records of the Trust, the attached Service List

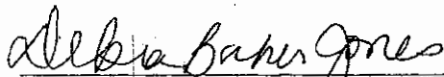

representing pending claimants, includes the names of all pro se claimants or their personal representatives having claims presently pending with the Trust, the names of all law firms for personal injury claimants, and codefendants and distributors having such pending claims or who have indicated that they may assert claims against the Trust.

9. No previous application for this relief has been made.

David T. Austern
General Counsel
