MANVILLE PERSONAL INJURY SETTLEMENT TRUST ACCOUNT OF TRUSTEES FOR THE PERIOD JANUARY 1, 2023 THROUGH DECEMBER 31, 2023

Pursuant to N.Y. EPTL § 7-2.7, Edward D. Robertson, Jr., Mark A. Peterson, and Kirk P. Watson (the "Trustees") Trustees of the Manville Personal Injury Settlement Trust (the "Trust"), or John C. Sawhill, Donald M. Blinken, Daniel Fogel, Christian E. Markey, Jr., Louis Klein, Jr., Francis H. Hare, Jr., Frank J. Macchiarola, and Robert A. Falise, the former trustees of the Trust (the "Former Trustees"), have previously filed accounts of trustees (the "Trustee Accountings") for the periods January 9, 1987 (Trust Inception) through November 28, 1988; November 29, 1988 through December 31, 1989; January 1, 1990 through December 31, 1990; January 1, 1991 through July 5, 1991; July 6, 1991 through December 31, 1991; January 1, 1992 through December 31, 1992; January 1, 1993 through December 31, 1993; January 1, 1994 through December 31, 1994; January 1, 1995 through June 30, 1995; July 1, 1995 through December 31, 1995; January 1, 1996 through December 31, 1996; January 1, 1997 through December 31, 1997; January 1, 1998 through December 31, 1998; January 1, 1999 through December 31, 1999; January 1, 2000 through December 31, 2000; January 1, 2001 through December 31, 2001; January 1, 2002 through December 31, 2002; January 1, 2003 through December 31, 2003; January 1, 2004 through December 31, 2004; January 1, 2005 through December 31, 2005; January 1, 2006 through December 31, 2006; January 1, 2007 through June 30, 2007; July 1, 2007 through December 31, 2007; January 31, 2008 through December 31, 2008; January 1, 2009 through December 31, 2009; January 1, 2010 through December 31, 2010; January 1, 2011 through December 31, 2011; January 1, 2012 through December 31, 2012; January 1, 2013 through December 31, 2013; January 1, 2014 through December 31, 2014; January 1, 2015 through December 31, 2015; January 1, 2016 through December 31, 2016; January 1, 2017 through December 31, 2017; January 1, 2018 through December 31, 2018; January 1, 2019 through December 31, 2019; January 1, 2020 through December 31, 2020; January 1, 2021 through December 31, 2021; and January 1, 2022 through December 31, 2022 (collectively, the "Prior Accountings"). These Prior Accountings have been accepted and approved by the Court, thereby releasing and discharging the Trustees or the Former Trustees, as appropriate, from any further liability or responsibility respecting the matters embraced therein.

Capitalized terms used in this Account of Trustees not otherwise defined herein have the meanings set forth in the Glossary annexed to the Third Amended and Restated Supplemental Agreement dated as of February 26, 2001 between the Trust and the Manville Corporation.

The account of trustees normally filed with the Surrogate's Court of the State of New York by express trusts has herein been modified in the same manner as for the Prior Accountings. A separate Statement of Cash Flows is included herein which reports cash inflows and outflows for the period January 1, 2023 through December 31, 2023.

Both principal and income can be and are used to pay operating expenses of the Trust and Beneficiaries' claims without regard to source. Accordingly, the Trust has not separated principal from income herein or in Prior Accountings nor does the present account include separate statements for principal and income accounts. For example, Schedule C entitled

"Statement of Expenses Chargeable to Principal" has again been combined with Schedule C-2, "Statement of Administration Expenses Chargeable to Income". Other like categories have also been combined. In addition, the following schedules are inapplicable and, accordingly, have been omitted:

<u>Schedule B</u> - Statement of Decreases Due to Sales, Liquidations, Collections, Distribution or Uncollectibility. During the year ended December 31, 2023 there were no decreases of assets due to sales, liquidations, collections, distributions or uncollectibility.

<u>Schedule E</u> - Statement of New Investments, Exchanges and Stock Distributions. The Trust's remaining principal has been invested pursuant to investment criteria provided in the Trust Agreement. The resulting net investment income is reported under Schedule A-2. Schedule E is omitted because of the volume of investment transactions.

<u>Schedule H</u> - Computation of Commissions. No commissions were paid or are to be paid by the Trust. Trustee remuneration and expenses are reported under Schedules C and C-2.

The following Account of Trustees is cross-referenced to the Manville Personal Injury Settlement Trust Special-Purpose Consolidated Audited Financial Statements for the year ended December 31, 2023 (Financial Statements) which are annexed hereto as Exhibit A. Exhibit A is hereby and expressly incorporated by reference into and made a part of the Account of Trustees for the year January 1, 2023 through December 31, 2023.

STATEMENT OF CASH FLOWS

For the Year Ended December 31, 2023

CASH INFLOWS:

SCHEDULE A - Statement of Income Collected

All funds held in the Trust Estate (as defined in the Plan) were invested in accordance with Section 4.03 of the Trust Agreement.

INVESTMENT INCOME

Interest Dividends Total interest and dividends	\$7,968,457 6,860,911 14,829,368
Net realized gains (losses) Net unrealized gains (losses), net of the change in deferred income taxes	28,617,325
	41,040,061
Investment expenses	(881,607)
TOTAL INVESTMENT INCOME	\$83,605,147

SCHEDULES C AND C-2 - Statement of Incurred Expenses

NET OPERATING EXPENSES

Salaries and employee benefits	\$4,607,271
Office general and administrative	872,617
Travel and meetings	10,352
Board of Trustees	479,220
Professional fees	318,470
Purchase of fixed assets	38,443
Web hosting and other electronic data processing costs	66,075
Other income	(3,179,115)
TOTAL NET OPERATING EXPENSES	\$3,213,333

Trustee Remuneration and Expenses

Trustee fees	\$479,220
Travel and meeting costs	49
Total Remuneration and Expenses	\$479,268

Professional Fees

Professional fees include audit and tax services, legal counsel for Trust constituents, claim forecast and other professional services.

SCHEDULE C-1 - Statement of Unpaid Expenses

As of December 31, 2023, the Trust had the following liabilities representing unpaid invoices, accounts payable, accrued professional fees and investment expenses and federal income taxes payable that represent unpaid or estimated unbilled services that have been provided to the Trust:

Total Unpaid Expenses	\$1,224,789
Accrued professional and investment expenses	155,500
Accounts payable and other liabilities	818,824
Income taxes payable (prepaid)	\$250,466

SCHEDULES D AND D-1 - Statement of Other Distributions

For the year ended December 31, 2023, the Trust made 14,991 personal injury claim payments for \$55,461,215. These claimants reside in the United States and several foreign countries. The number of claimants residing in each jurisdiction and the amount paid per jurisdiction is listed in Exhibit B of this accounting.

SCHEDULES F AND F-1 - Statement of Assets on Hand

The Statement of Net Claimants' Equity in the Financial Statements includes all Trust assets on an accrual basis of accounting as described in the Summary of Significant Special-Purpose Accounting Policies in the Consolidated Financial Statements. At December 31, 2023 the Trust recorded all of its investment securities at fair value.

	Cost	Fair Market Value
Restricted (1)		_
Cash equivalents	\$342,786	\$342,786
U.S. Govt. obligations	12,926,279	12,961,222
Corporate and other debt	16,959,172	16,814,426
Equities - U.S.	3,282,008	16,181,566
Total	\$33,510,245	\$46,300,000
	Cost	Fair Market Value
Unrestricted		
Cash equivalents	\$8,393,808	\$8,393,808
U.S. Govt. obligations	87,401,363	86,399,384
Corporate and other debt	112,248,641	109,647,448
Equities - U.S.	63,375,606	285,913,672
Equities - International	25,645,227	60,813,944
Total	\$297,064,645	\$551,168,256

The Trust invests in professionally managed portfolios that contain common shares of publicly traded companies, U.S. government obligations, U.S. and International equities, corporate and other debt, and money market funds. Such investments are exposed to various risks such as interest rate market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Trust's account balance in the future.

(1) Pursuant to Sections 3.01(b) (xiii) and 5.07 of the Trust Agreement a \$30 million segregated security fund was established of marketable securities to secure the Trust's indemnity obligations to current Trustees with the approval of the United States Bankruptcy Court of the Southern District of New York. The investment earnings of this fund accrue to the benefit of the Trust.

In addition, under a tax agreement between the Trust and Johns Manville Corporation (JM), the Trust was required to transfer cash to an escrow account to secure the payment of its future tax obligations. The escrow balance may be increased or decreased over time. As of December 31, 2023 securities with a market value of \$53.1 million were held by an escrow agent, of which \$16.3 million is reported as restricted in accordance with the tax agreement.

The Trust has the following other assets as of December 31, 2023: receivables, deposits and fixed assets described in the Notes to Financial Statements.

Accrued Interest and Dividends Receivable

Interest receivable	\$1,403,333
Dividends receivable	632,288
	\$2,035,622
Deposits and Other Assets	\$628,692

Fixed Assets

As described in Note 1 of the Notes to Consolidated Financial Statements, the costs of non-income producing assets which will be exhausted during the life of the Trust, and are not available for satisfying claims, are expensed as incurred. The cumulative balance of all fixed assets purchased, net of disposals, through December 31, 2023 is as follows:

Furniture and Equipment	\$322,458
Computer Hardware and Software	612,649
e-Claims Software Development	2,361,100
Total Fixed Assets	\$3,296,207

SCHEDULE I - Statement of Pertinent Facts

Mass Subpoena Matters

During the past decade, several companies with asbestos personal injury liabilities have filed petitions to reorganize through bankruptcy. In the course of these bankruptcy proceedings and the subsidiary litigation they spawn, the debtor or another party sometimes seeks discovery of large volumes of claims records from the Manville Trust and other asbestos bankruptcy trusts, or from the facilities that process their claims. In such cases, the Trust or its Claims Resolution Management Corporation ("CRMC") claims processing subsidiary, through outside counsel, often object to the discovery, and demand strong confidentiality protections and other restrictions on the use of any information produced in the event the discovery is permitted to proceed. The recent spate of such subpoenas appears at an end.

During 2023, the Manville Trust completed its obligations under a subpoena issued by the debtors in *In re: Bestwall LLC*, which is pending in the United States Bankruptcy Court for the Western District of North Carolina. Also, during 2023, the Trust made a partial production of claims records subpoenaed by the debtors in *In re Aldrich Pump LLC*, *et al.*, pending in the same bankruptcy court. The Trust then completed its obligations under that subpoena in the spring of 2024.

With those productions complete, there are no pending mass subpoenas for Manville Trust claims records for the first time since 2020.

Asbestos Claims Research Facility Transition to Virtual Operation

The Manville Trust owns an enormous collection of historic Johns-Manville documents relating to asbestos that CRMC manages on its behalf. The collection, maintained in warehouses in the Denver area, near Johns-Manville's headquarters, is called the Asbestos Claims Research Facility ("ACRF"). Its documents are made available to researchers, and are sought mostly by Trust Beneficiaries (both claimants' counsel and Co-Defendants' counsel) who use them for litigation in the tort system. CRMC seeks to fund the facility as much as possible through usage fees, with the Trust making up any loss.

Previously, the ACRF maintained an office with space for document storage and for researchers. Law firms generally sent personnel to the facility to review the boxes and to designate for copying any documents they wished to obtain.

Use of the facility nearly stopped during the pandemic that began in 2020, as activity in the tort system paused. When usage resumed, users almost exclusively requested documents remotely, without visiting the facility. With research now conducted nearly completely remotely, the Trustees decided to allow the ACRF's lease to terminate when it expired at the end of June 2023, and to shift the facility to virtual operation.

Now, requested boxes and documents go directly to a vendor for scanning and digitizing. The results are transmitted electronically to the requester, who can then review the digitized documents themselves. The vendor destroys any paper, and CRMC then maintains those

documents in digital format only. The changes have resulted in a significant reduction in ACRF operating costs.

AFFIRMATION OF TRUSTEES

Edward D. Robertson, Jr., hereby affirms: That the foregoing Account of Trustees, insofar as it relates to the year ended December 31, 2023, contains, according to the best of my knowledge and belief, a true statement of all the receipts and disbursements of the Trustees on account of the Trust Estate and of all monies or other property belonging to the Trust Estate which have come into the hands of the Trustees or been received by any other person by order or authority of the Trustees for their use, and that I do not know of any error or omission in the account to the prejudice of any creditor of, or person interested in, the Trust Estate.

Independent Auditor's Report

To the Trustees
Manville Personal Injury Settlement Trust

Opinion

We have audited the accompanying consolidated special-purpose financial statements of the Manville Personal Injury Settlement Trust and its subsidiary (the "Trust") (a statutory Trust originally created under the laws of the State of New York, and converted to a Delaware statutory trust in 2018), which comprise the consolidated special-purpose statement of net claimants' equity as of December 31, 2023 and 2022, and the related consolidated special-purpose statements of changes in net claimants' equity and cash flows for the years then ended, and the related notes to the consolidated special-purpose financial statements (collectively the "Financial Statements").

In our opinion, the accompanying Financial Statements present fairly, in all material respects, the financial position of the Trust as of December 31, 2023 and 2022, and the changes in net claimants' equity and its cash flows for the years then ended, in accordance with the basis of accounting described in Note 2 to the Financial Statements.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Accounting

We draw attention to Note 2 of the Financial Statements, which describes the basis of accounting. The Financial Statements are prepared on a special-purpose basis of accounting which is a basis of accounting other than accounting principles generally accepted in the United States of America. The special-purpose basis of accounting has been adopted by the Trustees to communicate the amount of net assets presently available to fund current and future claims. As a result, the Financial Statements may not be suitable for another purpose. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with the special-purpose basis of accounting; this includes determining that the special-purpose basis of accounting is an acceptable basis for the preparation of the Financial Statements in these circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the Financial Statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the Financial Statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Restriction on Use

This report is intended for the information and use of the Trustees, management of the Trust, and for filing with the United States Bankruptcy Court for the Southern District of New York and is not intended to be and should be used by anyone other than these specified parties. Upon filing with the United States Bankruptcy Court for the Southern District of New York, the report is a matter of public record, which public filing does not expand the listed specified users.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

Note 1 - Description of Trust

The Manville Personal Injury Settlement Trust (the "Manville Trust"), a Delaware statutory trust as of April 19, 2018, formerly organized pursuant to the laws of the State of New York, with its office in Peekskill, New York, was established pursuant to the Manville Corporation ("Manville" or "JM") Second Amended and Restated Plan of Reorganization (the "Plan"). The Manville Trust was formed to assume Manville's liabilities resulting from pending and potential litigation involving: (i) individuals exposed to asbestos who have manifested asbestos-related diseases or conditions, (ii) individuals exposed to asbestos who have not yet manifested asbestos-related diseases or conditions, and (iii) third-party asbestos-related claims against Manville for indemnification or contribution. Upon consummation of the Plan, the Trust assumed liability for existing and future asbestos health claims. The Manville Trust's funding is dedicated solely to the settlement of asbestos health claims and the related costs thereto, as defined in the Plan. The Manville Trust was consummated on November 28, 1988.

In December 1998, the Manville Trust formed a wholly owned corporation, the Claims Resolution Management Corporation ("CRMC"), to provide the Manville Trust with claim processing and settlement services. Prior to January 1, 1999, the Manville Trust provided its own claim processing and settlement services. CRMC began operations on January 1, 1999 in Fairfax, Virginia and subsequently relocated to Falls Church, Virginia. The accounts of the Manville Trust and CRMC have been consolidated for financial reporting purposes. All significant intercompany balances and transactions between the Manville Trust and CRMC have been eliminated in consolidation.

Manville Trust and CRMC (collectively, the "Trust") was initially funded with cash, Manville securities and insurance settlement proceeds. Since consummation, the Manville Trust has converted the Manville securities to cash and currently holds no Manville securities.

Note 2 - Summary of significant accounting policies

Basis of presentation

The Trust's special-purpose consolidated financial statements (the "Financial Statements") are prepared using special-purpose accounting methods adopted by the Trustees, which differ from accounting principles generally accepted in the United States of America ("GAAP"). The special-purpose accounting methods were adopted in order to communicate to the beneficiaries of the Trust the amount of equity available for payment of current and future claims. Since the accompanying Financial Statements and transactions are not based upon GAAP, accounting treatment applied by other parties for these same transactions may differ as to timing and amount. These special-purpose accounting methods and the differences from GAAP include the following:

- The Financial Statements are prepared using the accrual basis of accounting, except as otherwise described herein.
- The funding received from JM and its liability insurers was recorded directly to net claimants'
 equity. These funds do not represent income of the Trust. Under GAAP, fundings would be
 recorded as revenue and recorded upon settlement and assurance of collectability.
- Settlement offers for asbestos health claims are reported as deductions in net claimants' equity
 and do not represent expenses of the Trust. Under GAAP, settlement offers would be recorded
 as expenses of the Trust.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

- Costs of non-income producing assets, which will be exhausted during the life of the Trust and
 are not available for satisfying claims, are expensed as they are incurred. These costs include
 acquisition costs of computer hardware, software, software development, office furniture and
 leasehold improvements. Under GAAP, payments for fixed assets are capitalized and
 depreciated or amortized over their useful lives of the assets.
- Future fixed liabilities and contractual obligations entered into by the Trust are recorded directly against net claimants' equity. Accordingly, the future minimum rental commitments outstanding at period end for non-cancelable operating leases, net of any sublease agreements, have been recorded as deductions to net claimants' equity and are shown as a liability in the accompanying consolidated special-purpose statements of net claimants' equity. Under GAAP, liabilities and contractual obligations are recorded over the period that is benefited by the underlying contract or agreement. Operating lease assets and liabilities would be recognized at the lease commencement date based on the present value of lease payments over the lease term.
- The liability for unpaid claims reflected in the consolidated special-purpose statements of net claimants' equity represents settled but unpaid claims and outstanding settlement offers. Post-Class Action complaint claims' liability is recorded once a settlement offer is made to the claimant (Note 5 and 7) at the amount equal to the expected pro rata payment. No liability is recorded for future claim filings and filed claims on which no settlement offer has been made. Net claimants' equity represents funding available to pay present and future claims on which no fixed liability has been recorded. Under GAAP, a liability would be recorded for an estimate of the amount to be paid for claims that have been incurred but not reported and for those claims that have been submitted but not yet approved for payment by the Trust.
- Investment securities are recorded at fair market value. All interest and dividend income on investment securities, net of investment expenses is included in investment income or loss on the consolidated special-purpose statements of changes in net claimants' equity. Realized and unrealized gains and losses on investment securities are combined and recorded on the consolidated special-purpose statements of changes in net claimants' equity. Under GAAP, the financial statements would require additional disclosures including the classification of investments into a hierarchy of levels, the basis for those levels, and a schedule outlining movement between the levels among other disclosures.
- Realized gains/losses on investment securities are recorded based on the security's original
 cost. At the time a security is sold, all previously recorded unrealized gains and losses are
 reversed and recorded net, as a component of other unrealized gains and losses in the
 accompanying consolidated statements of changes in net claimants' equity.
- The Trust records deferred tax assets and liabilities for the expected future tax consequences
 of temporary differences between the book and tax basis of assets and liabilities. Changes in
 deferred tax assets and liabilities are recorded in the accompanying consolidated statements
 of changes in net claimants' equity. Under GAAP, changes in deferred tax assets and liabilities
 would be included in the provision for income taxes.
- Revenue earned from claims processing services provided by CRMC to third parties is treated
 as a reduction of the Trust's net operating expenses (see Exhibit II). Revenue is recorded as
 services are provided to those third-party customers. Under GAAP, claims processing services
 would be recorded as revenue as services are provided to those third-party customers.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

Cash and cash equivalents

Cash and cash equivalents include commercial paper, short-term bills and notes, and other highly liquid marketable securities. These securities had original maturities of three months or less when purchased.

Investments

Investments are stated at estimated fair market value as of the date of the special-purpose financial statements. Fair market value is based on quoted market prices. In some cases the Trust may hold investments for which there is no active market. When determining the fair market value of such investments, the Trust relies upon the valuation by its managers and advisors. Changes in fair market value are recorded as increases or decreases to net claimants' equity. Realized gains and losses are calculated based on the specific identification method. The Trust records transactions on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest is recorded on the accrual basis. Premiums or discounts on debt securities are amortized or accreted on the effective interest method, and are included in net investment income (loss), net of amortization of premiums on the accompanying special-purpose consolidated statements of changes in net claimants' equity.

Use of estimates

The preparation of Financial Statements in conformity with the special-purpose accounting methods described above, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the Financial Statements and the reported amounts of additions and deductions to net claimants' equity during the reporting period. Significant items subject to such estimates and assumptions include the fair market value of investment securities, provision from income taxes, and unpaid claims. Actual results could differ from those estimates.

Income taxes

Deferred tax assets are recognized for deductible temporary differences and deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more-likely-than-not that some portion or all of the deferred tax assets will not be realized. Deferred tax assets and liabilities are adjusted for the effects of the changes in tax laws and rates on the date of enactment. The effect of deferred tax assets and liabilities is reported net of unrealized gains and losses. See Note 10.

The amount of income taxes the Trust pays is subject to ongoing audits by federal authorities. The Trust's estimate of the potential outcome of any uncertain tax issues is subject to management's assessment of relevant risks, facts, and circumstances existing at that time. The Trust uses a more likely than not threshold for financial statement recognition and measurement of tax position taken or expected to be taken in a tax return. To the extent that the Trust's assessment of such tax position changes, the change in estimate is recorded in the period in which the determination is made. The Trust reports tax-related interest and penalties as a component of income tax expense and operating expenses, respectively.

Subsequent events

The Trust has evaluated events and transactions subsequent to the date of the Financial Statements for matters requiring recognition or disclosure in the Financial Statements. The accompanying Financial Statements consider events through February 23, 2024, the date on which the Financial Statements were available to be issued.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

Note 3 - Cash equivalents and investments

The Trust had a cumulative net unrealized gain on investment securities at fair market value of approximately \$266,890,000 and \$218,604,000 at December 31, 2023 and 2022, respectively.

At December 31, 2023 and 2022, the Trust has recorded all of its investment securities at fair market value, as follows:

Restricted

	2	2023 2022				
Description	Cost	Fai	r market value	Cost	Fai	r market value
Cash equivalents	\$ 342,786	\$	342,786	\$ 114,603	\$	114,603
U.S. Government obligations	12,926,279		12,961,222	9,534,728		9,290,715
Corporate and other debt	16,959,172		16,814,426	21,550,727		20,658,395
Equities - U.S.	 3,282,008		16,181,566	 4,977,161		16,236,287
Total	\$ 33,510,245	\$	46,300,000	\$ 36,177,219	\$	46,300,000

Unrestricted

	2023		20)22
Description	Cost	Fair market value	Cost	Fair market value
Cash equivalents	\$ 8,393,808	\$ 8,393,808	\$ 8,865,912	\$ 8,865,912
U.S. Government obligations	87,401,363	86,399,384	62,715,787	59,575,546
Corporate and other debt	112,248,641	109,647,448	134,671,473	125,865,965
Equities - U.S.	63,375,606	285,913,672	68,630,606	259,566,466
Equities - International	25,645,227	60,813,944	40,849,598	70,340,372
Total	\$ 297,064,645	\$ 551,168,256	\$ 315,733,376	\$ 524,214,261

The Trust invests in two types of derivative financial instruments. Equity index futures are used as strategic substitutions to cost effectively replicate the underlying index of its domestic equity investment fund. At December 31, 2023, the fair market value of these instruments was approximately \$1.3 million and is included in investments on the consolidated special-purpose statements of net claimants' equity. Foreign currency forwards are utilized for both currency translation purposes and to economically hedge against some of the currency risk inherent in foreign equity issues and are generally for periods up to 90 days. At December 31, 2023, the Trust held \$30.8 million in net foreign currency forward contracts. The unrealized gain on these outstanding currency forward contracts of approximately \$0.11 million is offset by an equal unrealized loss due to currency exchange on the underlying international securities. These net amounts are recorded in the consolidated special-purpose statements of net claimants' equity at December 31, 2023.

The Trust invests in professionally managed portfolios that contain common shares of publicly traded companies, U.S. government obligations, U.S. and international equities, corporate and other debt, and money market funds. Such investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Trust's account balance in the future and the

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

amounts reported in the consolidated special-purpose statements of net claimants' equity and consolidated special-purpose statements of changes in net claimants' equity.

Note 4 - Fixed assets

The cost of non-income producing assets that will be exhausted during the life of the Trust and are not available for satisfying claims are expensed as incurred. Since inception, the cost of fixed assets expensed, net of disposals, include:

	 2023	 2022
Acquisition of furniture and equipment Acquisition of computer hardware and software Computer software development (e-Claims)	\$ 322,458 612,649 2,361,100	\$ 322,430 574,234 2,361,100
	\$ 3,296,207	\$ 3,257,764

These items have not been recorded as assets, but rather as direct deductions to net claimants' equity in the accompanying Financial Statements.

Note 5 - Unpaid claims

The Trust distinguishes between claims that were resolved prior to the filing of the class action complaint on November 19, 1990, and claims resolved after the filing of that complaint. Claims resolved prior to the complaint ("Pre-Class Action Claims") were resolved under various payment plans, all of which called for 100% payment of the full liquidated amount without interest over some period of time. However, between July 1990 and February 1995, payments on all claims, except qualified exigent health and hardship claims, were stayed by the courts. By court order on July 22, 1993 (which became final on January 11, 1994), a plan submitted by the Trust was approved to immediately pay, subject to claimant approval, a discounted amount on settled, but unpaid Pre-Class Action Claims, in full satisfaction of these claims. The discount amount taken, based on the claimants who accepted the Trust's discounted offer, was approximately \$135 million.

The unpaid liability for the Post-Class Action claims represents outstanding offers made in first-in, first-out ("FIFO") order to claimants eligible for settlement after November 19, 1990. Under the Trust Distribution Process ("TDP") (Note 7), claimants receive an initial pro rata payment equal to a percentage of the liquidated value of their claim. The Trust remains liable for the unpaid portion of the liquidated amount only to the extent that assets are available after paying all claimants the established pro rata share of their claims. The Trust makes these offers electronically for law firms that file their claims electronically ("e-filers"), or by sending an offer letter and a release form for claimants that file their proof of claim on paper. E-filers may accept their offers electronically and the Trust records a settled, but unpaid claim at the time of acceptance, then makes payment upon receipt of an acceptable signed release. Paper filers may accept their offer by submitting an acceptable signed release, upon receipt of which the Trust sends a check. An unpaid claim liability is recorded once an offer is made. The unpaid claim liability remains on the Trust's books until accepted or expiration of the offer after 360 days. Expired offers may be reinstated if the claimant accepts the original offer within two years of offer expiration.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

Note 6 - Commitments

CRMC signed a seven-year and seven-month office lease effective October 1, 2015 at a location in Falls Church, Virginia. In October 2018, CRMC signed a lease extension at its current location in Falls Church, Virginia. This lease will expire on September 30, 2028. Future minimum rental commitments under this operating lease, as of December 31, 2023 are as follows:

Year ending December 31,	
2024 2025 2026 2027	\$ 416,301 428,793 441,651 454,913
2028	 350,260
	\$ 2,091,918

This obligation has been recorded as a liability in the accompanying consolidated special-purpose statements of net claimants' equity.

Note 7 - Net claimants' equity

A class action complaint was filed on behalf of all Trust beneficiaries on November 19, 1990, seeking to restructure the methods by which the Trust administers and pays claims. On July 25, 1994, the parties signed a Stipulation of Settlement that included a revised TDP. The TDP prescribes certain procedures for distributing the Trust's limited assets, including pro rata payments and initial determination of claim value based on scheduled diseases and values. The Court approved the settlement in an order dated January 19, 1995 and the Trust implemented the TDP payment procedures effective February 21, 1995.

Prior to the commencement of the class action in 1990, the Trust filed a motion for a determination that its assets constitute a "limited fund" for purposes of Federal Rules of Civil Procedure 23(b)(1)(B). The Courts adopted the findings of the Special Master that the Trust is a "limited fund". In part, the limited fund finding concludes that there is a substantial probability that estimated future assets of the Trust are and will be insufficient to pay in full all claims that have been and will be asserted against the Trust.

The TDP contains certain procedures for the distribution of the Trust's limited assets. Under the TDP, the Trust forecasts its anticipated annual sources and uses of cash until the last projected future claim has been paid. A pro rata payment percentage is calculated such that the Trust will have no remaining assets or liabilities after the last future claimant receives his/her pro rata share.

Prior to the implementation of the TDP, the Trust conducted its own research and monitored studies prepared by the Courts' appointee regarding the valuation of the Trust's assets and liabilities. Based on this valuation, the TDP provided for an initial 10% payment of the liquidated value of then current and estimated future claims (pro rata payment percentage). As required by the TDP, the Trust has periodically reviewed the values of its projected assets and liabilities to determine whether a revised pro rata payment percentage should be applied. In June 2001, the pro rata percentage was reduced from 10% to 5%.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

During the second and third quarters of 2002, the Selected Counsel for the Beneficiaries ("SCB") and Legal Representative of Future Claimants ("Legal Representative") and the Trust met to discuss amending the TDP. As a result of these meetings, in late August 2002, the parties agreed to TDP amendments that are now contained in what is referred to as the "2002 TDP". The 2002 TDP principally changes the categorization criteria and scheduled values for the scheduled diseases.

In January 2008, the Trust completed a review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved an increase in the pro rata percentage from 5% to 7.5%. This proposed change received the required concurrence of the SCB and the Legal Representative in early March 2008. Under the TDP, any claimant who received less than the current pro rata percentage is entitled to receive a retroactive payment sufficient to increase their previous payment percentage to the current pro rata percentage. Accordingly, the Trust recorded a liability of \$365.7 million for approximately 282,000 personal injury claimants eligible to receive a retroactive payment.

In January 2012, the Trustees amended the 2002 TDP to include a provision requiring the Trust to determine the Maximum Annual Payment ("MAP") amount, which limits the amount of claim payments in any one year based upon its projections of assets and liabilities at the current pro rata percentage. Once the claim payments in any one year reach the annual MAP amount, the Trust ceases claim payments and any unpaid claims are carried over to the next year and placed at the front of the FIFO payment queue.

In August 2014, the Trust completed a review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved a decrease in the pro rata percentage from 7.5% to 6.25%. This change received the required concurrence of the SCB and Legal Representative.

In November 2016, the Trust completed a review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved a decrease in the pro rata percentage from 6.25% to 5.1%. This change received the required concurrence of the SCB and Legal Representative. All claimants receiving offers after November 4, 2016, were paid a pro rata percentage of 5.1%.

In late 2019, the Trustees began a review of the Trust's projected assets and liabilities. Upon completion of that review, which coincided with a sharp decline in equities markets caused by the COVID-19 pandemic, reducing the value of the Trust's assets, the Trustees proposed a decrease in the pro rata percentage from 5.1% to 4.3%. After the Trust received the required concurrence of the SCB and the Legal Representative, the decrease took effect on April 28, 2020.

In February 2021, the Trust completed a review of the Trust's projected assets and liabilities. Based upon this review, the Trustees approved on February 15, 2021, an increase in the pro rata percentage from 4.3% to 5.1%. This proposed change received the required concurrence of the SCB and the Legal Representative. Under the TDP, any claimant who received less than the current pro rata percentage is entitled to receive a retroactive payment sufficient to increase their previous payment percentage to the current pro rata percentage. Accordingly, the Trust paid at the end of February 2021 approximately \$5.6 million to all the personal injury claimants eligible to receive a retroactive payment. All claimants receiving offers after February 15, 2021 were paid a pro rata percentage of 5.1%.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

Note 8 - Employee benefit plans

The Trust established a tax-deferred employee savings plan (the "Benefit Plan") under Section 401(k) of the Internal Revenue Code, with an effective date of January 1, 1988. On April 7, 2016, the Benefit Plan was amended and restated as the CRMC Salary Savings and Retirement Plan. The Benefit Plan allows employees to defer a percentage of their salaries within limits set by the Internal Revenue Code with CRMC matching contributions by employees of up to 6% of their salaries. The total employer contributions and expenses under the Benefit Plan were approximately \$198,000 and \$185,000 for the years ended December 31, 2023 and 2022, respectively.

Note 9 - Restricted cash equivalents and investments

In order to avoid the high costs of director and officer liability insurance (approximately \$2.5 million in 1990), the Trust ceased purchasing such insurance in 1991 and, with the approval of the United States Bankruptcy Court for the Southern District of New York, the Trust established a segregated security fund. Pursuant to this authority, the Trust currently maintains \$30 million in a separate escrow account for the purpose of securing the obligation of the Trust to indemnify former and current Trustees. The investment earnings on these escrow accounts accrue to the benefit of the Trust.

Additionally, as a condition of the tax agreement between JM and the Trust discussed in Note 10, the Trust was required to transfer \$30 million in cash to an escrow account to secure the payment of its future income tax obligations post settlement of the transaction. The escrow account balance may be increased or decreased over time. As of December 31, 2023, securities with a market value of \$53 million were held by an escrow agent, of which \$16.3 million is reported as restricted in accordance with the agreement. Any amounts in excess of the escrow amount may be withdrawn from the account by the Trust.

Note 10 - Income taxes

For federal income tax purposes, JM had elected for the qualified assets of the Trust to be taxed as a Designated Settlement Fund ("DSF"). Income and expenses associated with the DSF are taxed in accordance with Section 468B of the Internal Revenue Code, which obligates JM to pay for any federal income tax liability imposed upon the DSF. In addition, pursuant to an agreement between JM and the Trust, JM is obligated to pay for any income tax liability of the Trust. In a subsequent separate agreement between the Trust and JM to facilitate the sale of JM to a third party, JM paid the Trust \$90 million to settle the JM obligation to the Trust. In return, the Trust terminated JM's contractual liability for income taxes of the DSF and agreed to indemnify JM with respect to all future income taxes of the Trust and established an escrow fund to secure such indemnification. The statutory income tax rate for this DSF is 15%. As a Delaware domiciled trust, the Trust is not subject to state income taxes. CRMC files separate federal and state corporate income tax returns.

As of December 31, 2023 and 2022, the Trust has recorded a net deferred tax liability from net unrealized gains on investment securities of approximately \$40 million and \$32.8 million, respectively. For the year ended December 31, 2023 and 2022, the Trust recorded deferred tax expense (benefit) of approximately \$7.2 million and (\$19.5) million, respectively, which is included in in net investment income (loss) in the consolidated special-purpose statements of changes in net claimants' equity.

As of December 31, 2023 and 2022, the Trust had a net income tax receivable (payable) of approximately (\$199,000) and \$589,000, respectively. The Trust made cash payments for income taxes of approximately \$4.9 million and \$5 million for the years ended December 31, 2023 and 2022, respectively.

Notes to Consolidated Special-Purpose Financial Statements December 31, 2023 and 2022

Note 11 - Proof of claim forms filed

Proof of claim forms filed as December 31, 2023 and 2022 with the Trust are as follows:

	2023	2022
Claims filed	1,121,571	1,105,883
Withdrawn (1)	(109,047)	(108,081)
Expired offers (2)	(1,928)	(2,047)
Active claims	1,010,596	995,755
Settled claims	(998,910)	(983,726)
Claims currently eligible for settlement	11,686_	12,029

- (1) Principally claims that have received a denial notification and the claim is in an expired status for more than two years. These claims must be refiled to receive a new offer.
- (2) Claims that received a Trust offer or denial, but failed to respond within the specified response period, usually 360 days. As of December 31, 2023 and 2022, approximately 253 and 160, respectively, of the claims with expired offers are still eligible to accept their original offer with a payment value of \$0.65 million and \$0.41 million, respectively. All claims with expired offers may be reactivated upon written request by the claimant and will be eligible for a new offer at the end of the FIFO gueue.

Independent Auditor's Report on Supplementary Information

To the Trustees

Manville Personal Injury Settlement Trust

We have audited the special-purpose consolidated financial statements (the "Financial Statements") of the Manville Personal Injury Settlement Trust (the "Trust") as of and for the years ended December 31, 2023 and 2022, and our report thereon dated February 23, 2024 which expressed an unmodified opinion on the Financial Statements, appears on pages 2 to 3. Our audits were conducted for the purpose of forming an opinion on the Financial Statements as a whole. The Supplementary Schedules of Consolidated Special-Purpose Investment Income (Loss) and Consolidated Special-Purpose Net Operating Expenses and Schedule of Liquidated Claims are presented for purposes of additional analysis and are not a required part of the Financial Statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Financial Statements. The information has been subjected to the auditing procedures applied in the audit of the Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Financial Statements or to the Financial Statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the Financial Statements as a whole.

- (1) The unpaid liability for Pre-Class Action Complaint claims has been reduced based upon a plan approved by the Courts in January 1994, which requires the Trust to offer to pay a discounted amount in full satisfaction of the unpaid claim amount.
- (2) Under the TDP, Post Class Action Complaint claims have been reported at a pro rata percentage of their liquidated value.
- (3) Manville Liquidated Claims refers to Liquidated AH Claims (as defined in the Plan), which the Trust has paid pursuant to an order of the United States Bankruptcy Court for the Southern District of New York dated January 27, 1987.
- (4) Number of personal injury claimants not identifiable.

Supplementary Schedule of Liquidated Claims Exhibit III Since Consummation (November 28, 1988) through December 31, 2023

(5) Investment receipts of separate investment escrow account established for the sub-class beneficiaries per the Stipulation of Settlement, net of income taxes.

Supplementary Schedule of Liquidated Claims For the Year Ended December 31, 2023
